Cross-Checking
A single forward and back motion with both fists clenched in front of the chest.

Delayed Calling of Penalty
Extend arm to upright position.

Delayed Offsides
Extend arm in the air and point to line with other arm.

Delay of Game
The nonwhistle hand, palm open, is placed across the chest and then fully extended directly in front of the body.

Elbowing
Tapping either elbow with the opposite hand.

Fighting/Punching
A double "punching" motion with fist clenched, fully extended in front of the body.

A WORD FROM THE COACH

Good evening, everyone and welcome to the Solent Arena for tonight's game against the Oxford City Stars!

Tonight's game draws the regular season to a close which began way back in September! In some ways it seems like only yesterday we kicked off against MK and now we find ourselves playing with a chance to secure second place.

Our result last weekend against Romford means that a positive result tonight would see us finish at least 3rd which is a remarkable achievement given the teams in our league.

Whilst it is something new fans have come to expect, those who have been following the club for a while will now how far we have come!

I would like to take this opportunity to thank our wonderful backroom team for making game day, training nights and the whole Solent Devils experience a really professional positive one! From managers, Physio's, announcers, DJs and raffle ticket sellers, we really wouldn't be the same without each and everyone of you!

Tonight after the game, we hope lots of you have the chance to join us on the ice. If you don't have skates, feel free to stay around the side of the rink or come to the players bench to say hello to some of the players!

Bring the noise

Oxford on their day can be a clinical and strong team, in hockey sometimes the results don't always reflect on balanced a fixture has been.

The Stars have won 2 out of the past 11 games, that said they always play well against us and we've had some exciting games and for some reason they seem to be the team we play last at home for the past few seasons.

A very warm welcome to both the home fans and away supporters!

So here we are, last game of the regular season, seems it's gone so fast. Crazy to think we've been at it solid since September! If you didn't know already, we needed to finish our last 4 games strong which we have done so far. Tonight, we play Oxford and are hoping to continue this run and finish strong giving us the best chance of finishing 2nd this season.

Oxford are a team, who historically we've always had close games with but tonight we hope to make it one sided with the support and noise from you fans!

I'd like to take the opportunity to thank everyone who came and supported us last weekend home and away, it means the world to the boys I assure you.

Tonight, after the game we are skating with you lovely lot! So if you haven't already made plans make sure you come out and say hi!

Make some noise & I'll see you out there #8

ONE FAN ALONE

So here we are, final game of the season and it's exciting as ever!

Following last weekend, where the Devils picked up all four of the available points, there's just one point separating the Devils from second place in the league and as Chelmsford are out of games, tonight's match against Oxford could see the Devils hop past them. Bristol though, could cause an upset to those plans if they win both of theirs, this weekend.

Last Saturday's game against Milton Keynes was a lot of fun to watch, Elliott Lewis getting five goals was remarkable. Oscar Evans scoring at home was nice too, and he was clearly very happy himself.

Also, for the first time, Drew Campbell and Tylor Campbell were both on the ice for the Devils for the very first time in a game.

Oscar scored again Sunday, picking up the Devils fourth goal of the game, but the biggest thing for me in that game was the refereeing - and the live stream commentator from the Raiders clearly felt the same.

Obviously, the post-season competition will be starting soon, with the quarter finals being played like normal, at club rinks, then the semi-finals and finals being played over a weekend in Milton Keynes, everyone should definitely keep an eye out for tickets, as from experience those weekends are definitely an experience not to miss.
