A single forward and back motion with both fists clenched in front of the chest.

**Delayed Calling of Penalty**  
Extend arm to upright position.

**Delayed Offsides**  
Extend arm in the air and point to line with other arm.

**Delay of Game**  
The nonwhistle hand, palm open, is placed across the chest and then fully extended directly in front of the body.

**Elbowing**  
Tapping either elbow with the opposite hand.

# A WORD FROM THE COACH

Good evening everyone and welcome to the Solent Arena for tonight's game against the MK Thunder!

Following a week on the road, I wanted to first reflect on the wonderful results two weeks ago at home to league leaders Streatham! It was a great team performance and a deserved victory over the RedHawks given our performances this season against them!

Last weekend we travelled back up to Bristol to play a team we were undefeated against this season! The new rink and atmosphere is something special, but penalty trouble meant we fell 3-1 behind, before another Elliot Lewis masterclass took the game to overtime. Unfortunately, it wasn't to be as we conceded in overtime, but overall we were happy with the point!

Tonight, we face a resurgent Thunder team who have been picking up points in the past 2-3 months! We know full well that we must be in top form to ensure a victory tonight and cannot afford to drop any more points this season in our quest to finish 2nd in the league!

Let's hope the rink is busy tonight!

Bring the noise

MK are finding their form in the over the past month, the results may not always reflect it but the team are starting to gel and air of confidence and self believe is emerging.

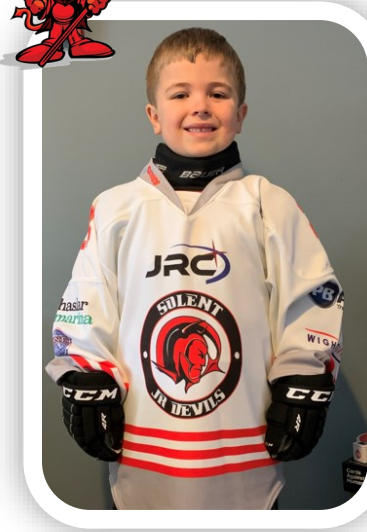

With wins over Chelmsford and Romford in recent weeks and our last encounter being a close call, this evening will be a good game and an opportunity for additional minutes for the younger Devils to develop,

A very warm welcome to both the home & away supporters this evening!

Following on from last week, the support and following we had in Bristol was amazing! The noise you fans made really helped us push the comeback to get the point for the draw. It was a shame we didn't get an OT win, but we are happy with the result.

This evening we take on MK, a team which can never be counted out! They have a lot of individual talent so we must limit their chances and keep the game simple to ensure we get the result we need.

Tomorrow, we travel to Romford, a big open rink and again we must continue to keep the train rolling to see out this season with the highest position finish we can obtain in the league.

Make some noise and I'll see you out there #8

# ONE FAN ALONE

I turned up to our game in mid-March, and I must admit I thought it was going to be a game I could have missed. I thought Streatham would either come and not really play - they already had the league title claimed, why would they need to put in any effort. Potentially, I thought they might get a bit aggressive and goad the Devils into some fights.

Alternatively, I thought Streatham would come and hammer the Devils, trying to prove that they were rightfully the league champions.

I was wrong, I was massively wrong. I think that was the most entertaining, nail biting, edge of my seat game I have watched in a really long time!

Alex Murray putting us in the lead within three minutes was nice, but going into the first period 3-1 down was not unexpected from my thoughts before the game.

Elliot Lewis, once more proving his worth to the team getting a pair of goals and Dan Lackey getting one during the second nudged us into the lead again - although, just before the break a Streatham goal on their only powerplay of the night meant that it was tied 4-4 at the second break, but the Devils fans were on their feet and screaming with joy after a two way and truly exciting period.

Alex Murray and Elliot Lewis picked up another goal each during the third, and the atmosphere was electric, and all Streatham's fifth goal did was make the Devils fans more excited to see us cling to the lead all the way to the final buzzer.

Jubilant from the win, the Devils went to Bristol last weekend, and it was wonderful to see such a number of the fans travel with them to cheer them on! An early Bristol goal had the Devils needing to respond, and Elliot Lewis put away his penalty shot to tie the game, although this penalty was given as a few players left the game for fighting.

Bristol surged after this, and earned two goals during the first period, and held the 3-1 scoreline through the second too. Elliot Lewis, the hat trick man, levelled the game with two goals in the third, once more giving the Devils fans hope, and while Bristol managed the important goal during overtime, the Devils earned a point.

Now, with so few games left in the season, the battle is really on for second place in the league, with just 3 points separating four teams, these final three games are crucial for the Devils.
