A Word From The Coach

Good evening everyone and welcome to the second home game of the 2023-23 season at the Solent Arena, as we welcome the players, management and supporters from the Slough Jets!

Last week saw us begin our campaign against the Invicta Dynamos in what was a thrilling home opener.

I was really impressed with how the new guys settled in and all of them made an impact on the game. A MoM performance from Aaron in goal, Joe scoring from the point and Cain showing some great promise on the top unit.

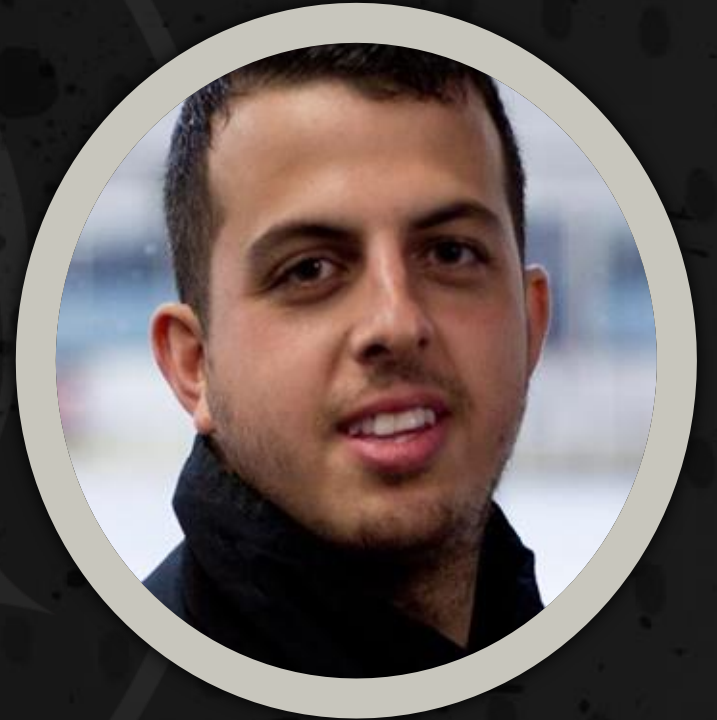

It was great to see the regulars get back in the saddle straight away and we showed some resilience in the third to come back after Invicta pushed!

Tonight we play a young and hungry Slough team, coached by Lukas Smital. They have some great talent including Mohr and White-Sey along with some experienced heads in Redmond and English who will need to be managed for us to be successful.

Tonight is a special night as we raise money for Harper who is battling against Childhood Diffuse Intrinsic Pontine Glioma (DIPG). We hope that you are able to give what you can to support this wonderful little girl! The Devils are 100% behind you every step of the way Harper! #TogetherStronger

Hope For Harper

Introducing the Hope for Harper Raffle – A chance to make a difference and bring hope to a special young lady.

Harper, the bravest 10yr old young lady ever, has Childhood Diffuse Intrinsic Pontine Glioma (DIPG), a diagnosis received only a few weeks ago. DIPG is a highly aggressive and difficult to treat malignant brain tumour.

We truly understand the economic difficulties many of us are currently experiencing, which is why we've worked tirelessly to bring together as much of a variation of great raffle prizes as possible.

Dylan Morley has worked extremely hard in producing Official Solent Devils Trading Cards, which will also be up for grabs on the day. These are not to be missed and have caused quite a stir amongst the team already!

Our aim is to raise as much money as possible, with all proceeds going towards supporting the massive undertaking that Harper and her family are going through.

In this challenging times, it's crucial to remember that we are all in this together. The Hope for Harper Raffle, with the support of the Solent Devils, our amazing Hockey Community and beyond, is giving you the opportunity to contribute to a very worthy cause, providing support and a means to remain strong for Harper and her family.

By purchasing a Hope for Harper raffle ticket, you not only stand a chance to win incredible prizes, but you also play a part in making a positive impact on the lives of Harper and her family.

All funds raised through the Hope for Harper raffle will go directly towards providing vital funds to Harper and her family in the pursuit of alternative treatment and bringing a healthy Harper home.

It's Not All About Us

Slough are looking to make an impact this season, having retained many of their core players from last season. They will rely on this experience this season whilst they bring on their newer players. A pre-season game saw them defeating Chelmsford 3-1 and they'll be keen to take this into the league and build some momentum.

With a young, but experienced side, they have been known to cause problems for other teams in the past, playing a fast paced and physical game. Sebastian Mohr is one of their young, promising players. Having played for GB U18s last season, he has shown his skill in getting the puck in the back of the net given the chance. Brett Massey is a solid choice between the pipes and likely to cause problems for any goal scorer, especially given the experienced defensive team supporting him, particularly Jacob White-Sey. Overall, this young and energetic team will be pushing to make an impact in the league this season.

Captains Corner

A very warm welcome to both home and away supporters!

Following on from last week, I'm sure you were on the edge of your seats in the end-to-end 5-3 win over the Dynamos!

I was very impressed how the Devils bonded and showed resilience to come back from being two goals up, to drawing at the end of the second, to winning the game!

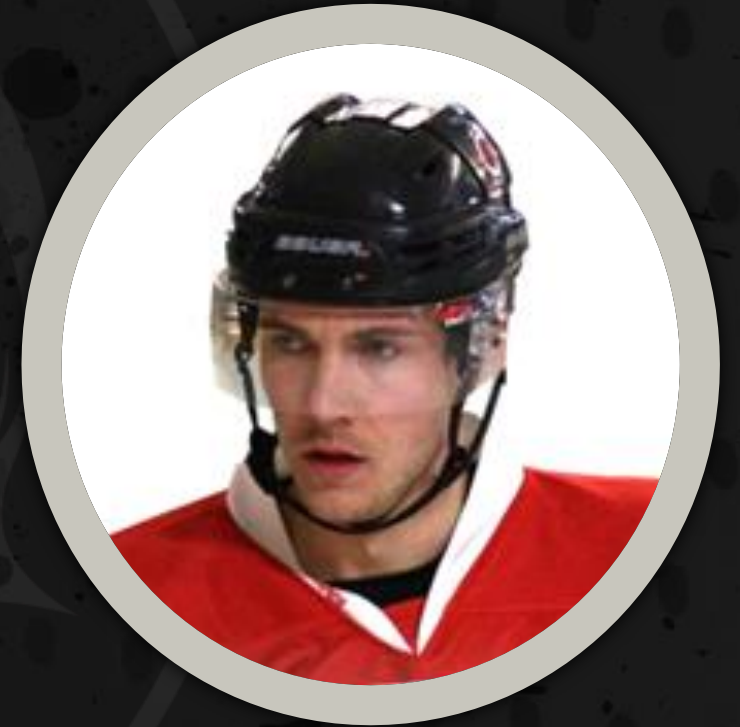

This evening's game against the Slough Jets I'm sure will be exciting again. No one has any certainty on how the game will play out. This season so many changes have happened to everyone's rosters, it's hard to gauge, but one thing we are sure of is they are gritty and work hard so we must stay switched on!

I'm sure you're aware, and if you are not, we are having a fundraiser this evening for Harper. Harper, the bravest 10-year-old young lady ever, has Childhood Diffuse Intrinsic Pontine Glioma (DIPG), a diagnosis received only a few weeks ago.

DIPG is a highly aggressive and difficult to treat malignant brain tumour. We hope any funds raised this evening can make such a difference to Harper and her family in such drastic circumstances.

Thank you once again for your support. Make some noise and I'll see you out there!
