Solent Devils Vs Chelmsford Chieftains

Game Day Programme

Saturday 7th October

Face Off – 1700

A Word From The Coach

Good evening everyone and welcome to the Solent Arena for our first visit from the Chelmsford Chieftains. I trust their players, management and supporters have had a safe trip.

Last week saw us take on the new look Oxford City Stars in our first away fixture of the season. Although we were missing Sutts and Duffy from the line up, I was confident that the boys could start to be more expressive and showcase their skillset with the larger ice pad.

I felt we controlled the game well and dominated throughout, barring a 5-minute lapse in the second. We were able to roll lines and get our full line up involved in the game. I was impressed with our powerplay and with our second unit scoring and absolute corker! I was also impressed with how we managed to push back and took a lead plus moment into the third and saw out the game!

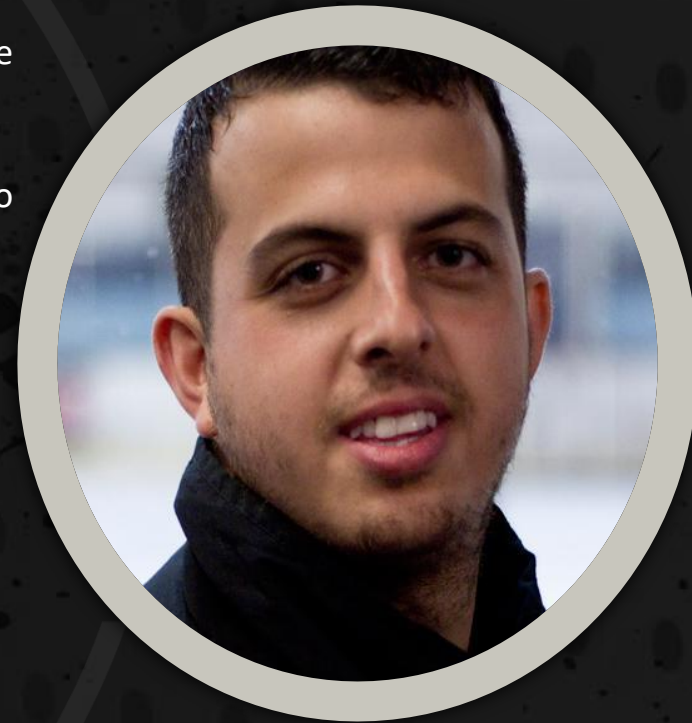

We really appreciate the travelling support! It was great to see so many of you cheering us on!

Looking ahead to tonight's game, and as with most games this season, it's going to be a difficult fixture! Chelmsford have certainly strengthened in all departments over the summer and the return of the Bartletts in addition to the national legate of players following new head coach Lewis Clifford means we will be in for a tough battle,

We know that Chelmsford are always a fast-paced counter-attacking team and we have to ensure we stay our Penalty trouble against them and stop the rush in order to be successful tonight!

Hopefully there is a bumper crowd in tonight in what should be a great game! Lastly, a thank you to everyone who donated to the Harper appeal two weeks ago. It's great to see our community come together for such an important cause!

It's Not All About Us

Chelmsford have started this season strong and will want to continue to take that momentum forward to challenge for the top position in the league, particularly following last weekend they will be looking to bounce back and prove their resilience.

With a strong, experienced and physical team, Chelmsford have pushed the top teams of the league for the past couple of seasons, notably beating Streatham towards the end of last season. The return of both Bartlett brothers for this season has further strengthened their strong line-up. A fast team, they are no strangers to creating goal scoring opportunities from their own zone. Grant Bartlett and Pentecost are currently leading the team in points, with Bartlett racking up 3 goals and 4 assists and Pentecost with 1 goal and 6 assists. Cameron Bartlett and Maltsev are joint for goals, with 4 each. Lawday has been impressive between the pipes so far this season, with a very respectable .925% save percentage.

Captains Corner

A very warm welcome to both the loyal home and travelling away supporters!

I am glad to say we are back at home again and it is a pleasure seeing you all here cheering your chosen side on!

Just touching on the weekend, thank you to everyone who travelled to support us, and what a game it was! I'm pleased to say the boys dug deep and we managed to secure a big W away in Oxford, in what was a very tough, physical game.

I just want to say a big thank you also to everyone who donated gifts and prizes for the previous week's charity raffle, and a big shout out to everyone who was involved with the Solent Devils Trading Cards!

This evening we focus on the Chieftains, who we know are a very dangerous and opportunistic side. We must capitalise and gain control early to continue our run into this season. I am sure this game will be action packed and very fast paced!

Make sure to get yourself over the Sailmaker after the game to catch up with the people who surround the Devils team, we always look forward to talking with you who week on week support us.

Make some noise and I'll see you out there!
