

SOLENT DEVILS

Solent Devils Vs Slough Jets

Game Day Programme

Saturday 2nd December

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome table topping Slough Jets back for their second trip of the season!

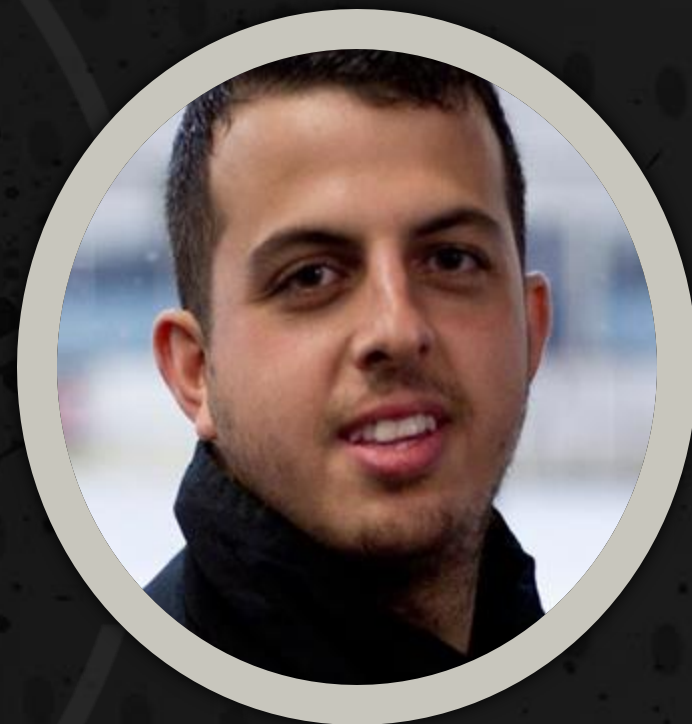

Last weekend saw us take on the Jets in our first encounter at the Hanger in what turned out to be a disappointing result and performance from the team. With a large contingent of travelling Devils supporters, we really failed to give them anything to shout about. The Jets controlled the game and we struggled to impose ourselves until late in the third, and by then it was too late.

Tonight we have a chance to make amends and put in a performance that is worthy of our club. I addressed the team after the game and reaffirmed the expectations to play for this great club. In training we went back to basics, and I demanded a high energy session which was duly supported by a case of NIHL2 players filling in roles.

Lastly, as you would have seen that we have a fan favourite return to the line-up tonight. I cannot understate the impact he will have on and off the ice for our team, and I hope to see the impact instantly.

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

- Back Pain
- Generalised aches and pains

It's Not All About Us

Slough have made a great start to the season and will be looking to continue that momentum as we head towards the Christmas break. A young, energetic and fast paced team, they have shown some great resilience to come from behind in several key games, including a third period win against Invicta.

They have several key players on the team with Goodchild being notable, currently the league leader in points with an impressive 42 (22 goals, 20 assists) closely followed by Sebastian Mohr with 35 (21 goals 14 assists). Defensively Lindgren and Minter are showing their skills in taking back the puck and setting up counter-attack opportunities, whilst Massey has shown confidence between the pipes, saving 351 of the 394 shots made against him so far this season.

Slough have proven to be a tricky team for the Devils, both home and away, and will be looking to continue that form as they aim to push for the top slot in the league.

Captains Corner

A very warm welcome to both the home and away supporters this evening.

Following on from last week, I feel we did not implement the game plan from the start. The Slough Jets are very disciplined and hard working and we let this consume us.

This evening we look for revenge aiming to push towards that league title.

I'm sure you're as excited as we are to announce the return of Mark Pitts, a truly dominant and influential player in any team.

Please make some noise and get behind us Devils!

See you after the game at the Sailmaker
