

SOLENT DEVILS

Solent Devils Vs Chelmsford Chieftains

Game Day Programme

Saturday 09th December

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the Chelmsford Chieftains players, management and supporters!

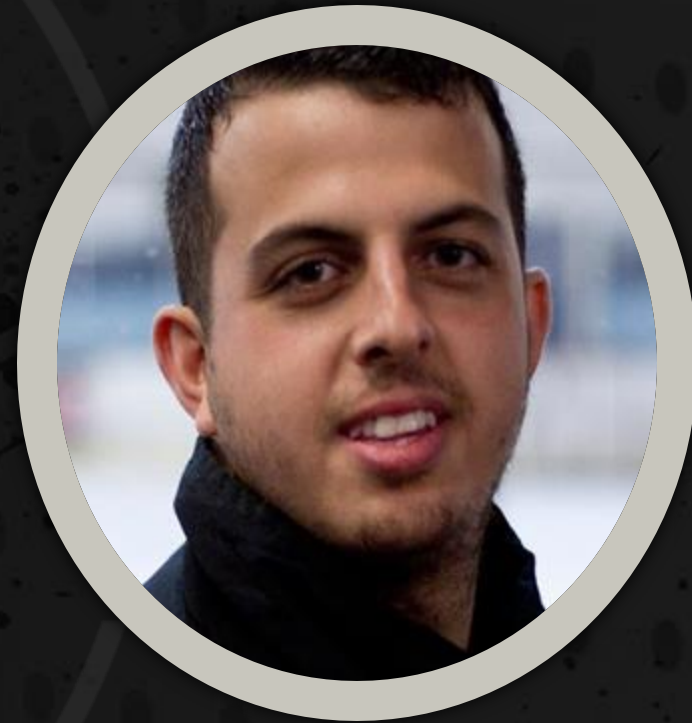

Last weekend was an exciting encounter against a surging Jets team. I feel, upon reflection, we deserved more than we got from the game. Outshooting Slough 50-25, we really should have capitalised on our chances, however, similar to their last visit, the Jets never went away and two 5 minute collapses saw them take the game away from us.

Tonight's opponents, Chelmsford, are also on a good run of form and have signed a prolific, experienced team. We have suffered two losses to them already this season so are looking to bounce back with a positive result and performance.

We look forward to many of you as possible joining us on the ice for our Christmas skate after the game!

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

Chelmsford have begun this season well, pushing hard for the top spot. A talented and fast paced team, they are no stranger to the counter-attack, and can often be considered at their most dangerous when starting within their own zone. With wins against both Slough and Streatham, they will want to end this half of the season well to take that momentum into the New Year.

Grant Bartlett currently leads the team in points with 26 points (16 goals and 10 assists), with Porter and Pentecost close behind on 24 and 23 respectively. With their fast-paced play, these players often slip through the defence and rarely have difficulty finding the back of the net. Cameron Bartlett will be returning to play this weekend and will be looking at making an impact as well. Lawday has had a great season between the pipes, with a very respectable save percentage of .901% and, backed up by Reid, King and Jamieson, the Chieftains will push back hard against any Devils' attacking opportunities. Having proven tricky for the Devils so far this season, the Chieftains will be looking to build momentum for their final games before the Christmas break.

Captains Corner

Good evening and a very warm welcome to both the home and the travelling fans!

Following on from last week, we didn't get the result we wanted and fell short to a young, well drilled and disciplined team. I felt the majority of the game we were in control but did not capitalise on our opportunities.

We've been working hard in training on our weaknesses and the team reacted well to some changes which we hope to implement this evening.

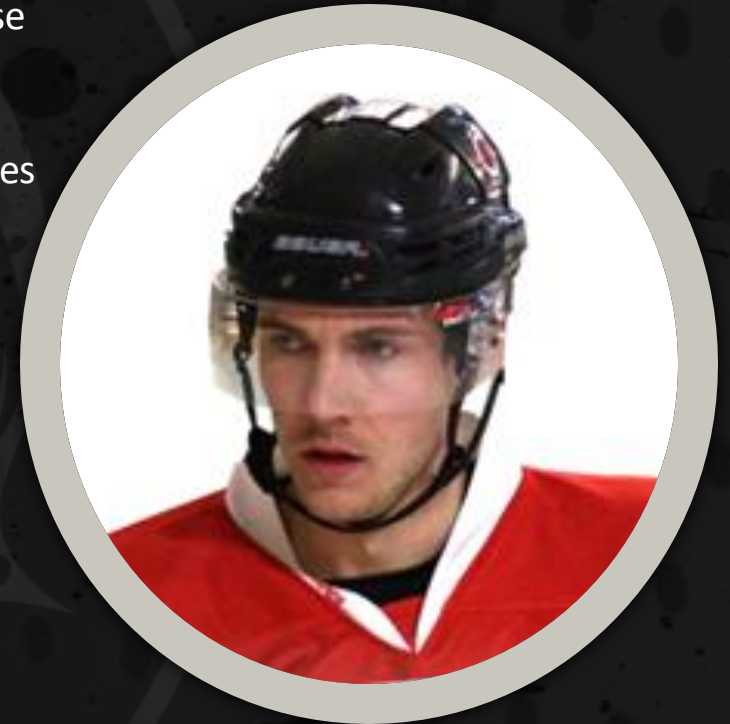

The Chieftains always bring a tough challenge, but we are ready to overcome the wave and take that momentum into the second half of the season.

Thank you to every one of you who's got behind us and been there to support us this season.

After the game we are welcoming all of you for a skate with the Devils to get to know us better! Don't worry, we can and will stop you falling over!!

Make some noise and I'll see you out there!
