

# SOLENT DEVILS

Solent Devils Vs Milton Keynes Thunder

Game Day Programme

Saturday 6<sup>th</sup> January

Face Off – 1700

# A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from Milton Keynes.

I trust everyone had an enjoyable Christmas and New Year. It's a time for reflecting every year, as we are normally half-way through the season. We are in a good position and hopefully we can kick on, qualify for the Cup Semi and get back in the mix at the top of the league.

Wednesday (yes, I know, crazy right?) was our first fixture of 2024 and the commitment from this team is unquestionable. So many players took annual leave, left work early or arrived as soon as they could to ensure we were able to complete the fixture. The performance was just enough to secure our first win over Slough this season, with notable performances from Aaron in the net and Ozzy with 4 goals!

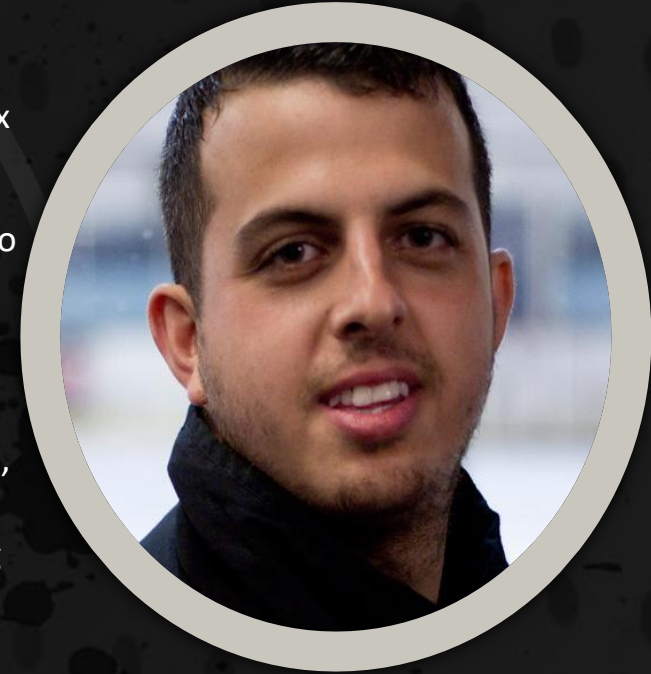

Looking ahead to tonight, we have a shortened line up due to player availability and a NIHL2 fixture for our two-way players, Harry, Charlie, Ben and Riley will all travel to Bristol with our second team, which has provided us with an opportunity for Ryan Yeldon, of our U18s team, to join the roster and make his debut for the Senior Devils. It was a wonderful feeling calling Ryan yesterday to explain the news, having coached him throughout his junior career. It's a testament to a player who has stayed loyal to our club, worked hard and is a very mature and respected member of our U18s. Tonight will be a special occasion for Ryan and his family and I'm sure you'll all be right behind him.

After a long time away with a lower body injury, Oscar Evans returns to the line-up tonight as we trial out his fitness to see if he is ready for a full return.

Tomorrow we play our third game of the week against Invicta, which will be a tough game as we attempt to overtake them in the standings.

Here's to a big weekend ahead!

## Chiropractic is a primary health care profession focused on your health and wellbeing

### The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

# It's Not All About Us

Despite the rough start to the season, Milton Keynes have continued to show their grit and determination in every game. A fast-paced team, they have shown dangerous streaks on the breakaway and will be looking to improve their positioning for this second half of the season.

Their main netminder, Norton, has some impressive stats to show, having saved 443 out of the 527 shots made against him. In the last meeting between the Devils and Thunder, James Bryan scored a great goal from range, showing his accuracy and quick thinking. MacGarvey and Hamill lead the team with goals, with 3 each, and will be looking to increase their personal stats, particularly when backed up with Dickinson and Davies, who lead the team in assists, also with 3 each. Despite their position, they've proven to be a team not to be taken for granted.

# Captains Corner

A very warm welcome to both the home and away supporters this evening.

With Christmas and the New Year done, we're back to it!

Touching on Wednesday's game, we had a brilliant result away v Slough and couldn't have been prouder to dominate them from start to finish. They came out tough and hard, but our resilience and hard work turned into an amazing 2 points. A big thank you to everyone who showed up to support us, we could definitely hear you and it really helped!

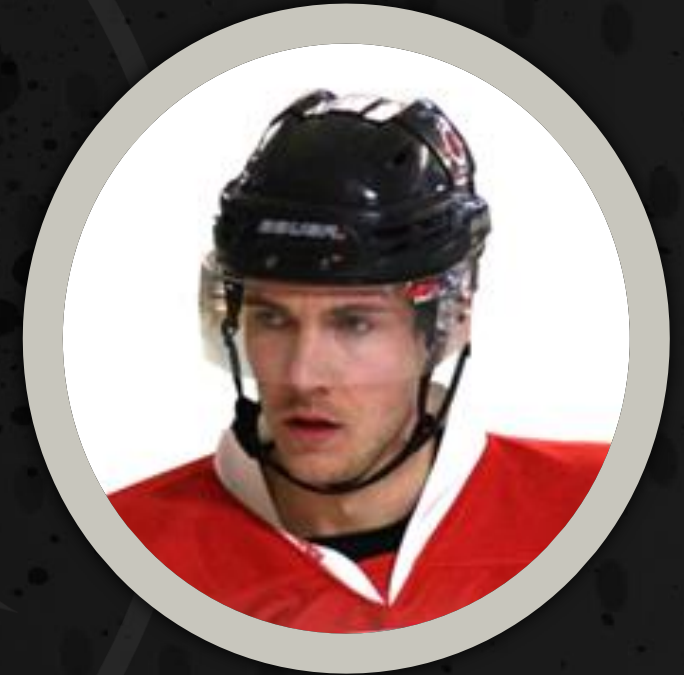

Moving on to our first and only game at home this month! We thank every single one of you who have made an effort to come and support us! MK can always throw a banana skin at any moment so we cannot take this game lightly. We have to be switched on and look to take today's good habits into tomorrow's away game!

If you fancy a trip, we are at Invicta tomorrow evening, another big test but we are ready. A good run this year will give us the best chance at the highest spot in the league possible.

It will be amazing to see you all after the game at the Sailmaker, please come and show your faces!

Make some noise and I'll see you out there!
