Solent Devils Vs Streatham RedHawks

Game Day Programme

Saturday 6<sup>th</sup> January

Face Off – 1700

# A Word From The Coach

Good evening everyone and welcome to the Solent Arena, as we welcome the players, staff and supporters from the Streatham RedHawks!

Following a few weeks on the road, and a weekend off, we finally return home for our second home fixture of the new year.

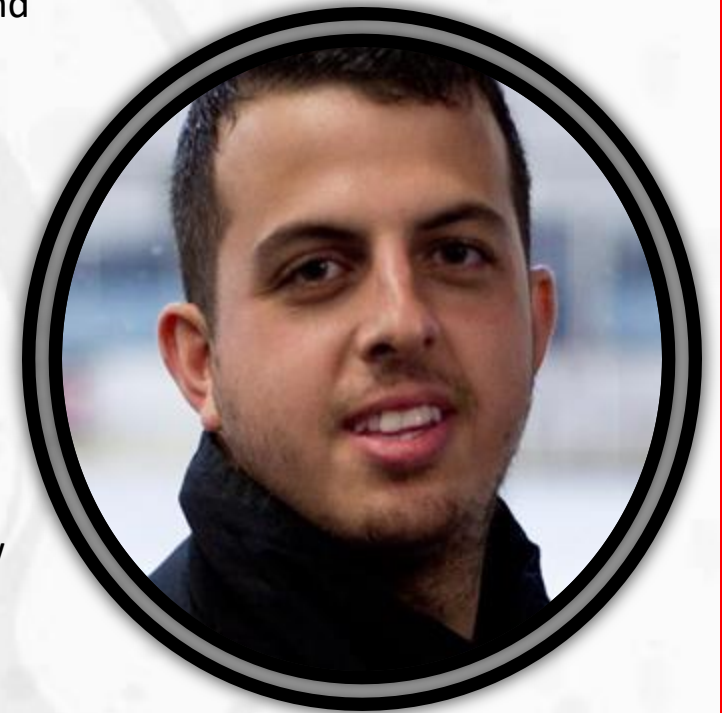

Naturally we were deeply disappointed to not make the cup semis, after failing to get 2 points out of the games with Romford and Streatham.

The highs of the shootout win in Invicta were quickly forgotten.

Tonight we face league champions Streatham, who seemed to have now settled into their new look squad and once again look favourite for the title. We still have a few guys out with injury but following a positive session Thursday the guys are really keen to put in a performance worthy of our hike crowd.

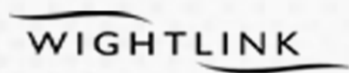

If we implement our plan and play a solid 60 minutes, we should be favourites in our own barn! We will be doing all we can to get back to winning ways, and your support will help us!

## Chiropractic is a primary health care profession focused on your health and wellbeing

### The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)

- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences

- Headache arising from the neck (cervicogenic)

- Inability to relax

- Joint pains

- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise

- Back Pain

- Generalised aches and pains

- Lumbago

- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)

- Migraine prevention

- Minor sports injuries and tensions

- Muscle spasms

- Plantar fasciitis (short term management)

- Rotator cuff injuries, disease or disorders

- Sciatica

- Shoulder complaints (dysfunction, disorders and pain)

- Soft tissue disorders of the shoulder

# It's Not All About Us

A fast paced, clinical side, the RedHawks are adept at both speeding past defences and creating counter-attacking opportunities. Having reclaimed their position at the top of the table, they will be looking to stay there and, with several key games to go for them, they will be wanting to capitalise on each and every game in order to do so.

With a good eye for key passes, Beesley is currently leading the team in points at 27, with 17 of those from assists, whereas Josh Ealey-Newman is the teams leading goal scorer with 14 goals out of the 16 games he's played in. Burnett and Waller will likely be key players for the team's defence, and Milton has proven to be a wall between the posts, having made several impressive saves in both games the Devil's and RedHawks have had so far this season.

# Captains Corner

A very warm welcome to both the home and away supporters this evening. Today we look on to a very important encounter between us and the RedHawks.

We've been training hard and working to get our confidence back to help us in the big games like this weekend as we've been struggling with consistent form as our team does have other commitments outside of hockey as an older aged squad in this league.

However, what we are achieving and the place we are sat in I am very proud of and we must continue to fight hard to finish as high as possible this season.

As you well know we missed out on the cup Semi-final, but that gave us a weekend off and some reflection time to hopefully put things right this weekend.

It feels like we haven't played at home for a long time and we are very excited to see your faces this evening.

Please come and show your faces after the game at sailmaker and if you're possible to make the trip tomorrow to Chelmsford it would be great to have your support.

Make some noise and I'll see you out there!
