Solent Devils Vs Invicta Dynamos

Game Day Programme

Sunday 31st March

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Invicta Dynamos.

After last night's result, it's all to play for today in the second leg of the Quarter Finals.

We started slow yesterday, which saw the Dynamos take an early 2-0 lead. Once we settled in and realised we were in a playoff game, we were able to go to work and get ourselves back into the game.

Injuries to Calumn in warm up and Cain in the second period meant we had moments of change in the line-up and guys had to step up and step in.

A couple of power play goals saw us take a 3-2 lead before they tied it late in the third. Luckily, we pulled it straight back and took a 4-3 lead coming into tonight.

Tonight will see the final game at home for our Club Legend – Drew Campbell. Drew has always been a fan favourite and a teammate that everyone of us love. His ability to score goals, win faceoffs and compete at this level at almost 50 is a true testament to his ability, desire and health.

I'm sure you will join us in wishing Drew the very best and hope we give him the send-off he deserves! (Although we hope that will be next weekend!)

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)

- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences

- Headache arising from the neck (cervicogenic)

- Inability to relax

- Joint pains

- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise

- Back Pain

- Generalised aches and pains

- Lumbago

- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)

- Migraine prevention

- Minor sports injuries and tensions

- Muscle spasms

- Plantar fasciitis (short term management)

- Rotator cuff injuries, disease or disorders

- Sciatica

- Shoulder complaints (dysfunction, disorders and pain)

- Soft tissue disorders of the shoulder

It's Not All About Us

After a hard fought first leg at Gillingham, Invicta will be looking to take and hold an early lead in tonight's second leg. This would be especially true for retiring player Strawson, who will be looking at going out on a high. A fast-paced team with clinical passing, they'll be looking to exploit any gaps in the defence, particularly when on the counter-attack.

They have several key players to keep an eye on tonight. Lascek is a veteran goal scorer, especially when paired with the likes of Soar, both leading the teams in points with 66 (24 goals 42 assists) from Lascek and 46 (26 goals, 20 assists) from Soar. Strawson will be looking at making an impact in his final game as he backs up experienced netminder Rider, making a tough final hurdle for any attacking opportunity. With Stephenson and Lillis also on defence, any attack can also be turned into a fast counter-attack, which Invicta are well practiced at executing.

Captains Corner

A very warm welcome to both the home and away supporters. So here we have it, the last home game of the 23/24 season and what a game to watch here at the Gosport Arena!

Last night's game was intense with a lot of emotion involved, especially with the last home game played for Aaron Strawson. That said we rode the wave out and finished strong with a goal lead going into tonight's game.

A big thank you to all those who travelled to support yesterday, it truly was felt and was well needed with the injuries obtained and changes to the line-up with the adaptations.

A huge shout out to a player I've played alongside since being at the Solent Devils for many years, a fan favourite and we, as players, admire how he still shows how talented he is and still holding his own not far off 50. I wish him all the very best in retirement and thank him for everything he's done for the club in his time. Drew, once more, thank you.

Make some noise and I'll see you out there!
