

SOLENT DEVILS

Solent Devils Vs Oxford City Stars

Game Day Programme

Saturday 9th March

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Oxford City Stars.

After what felt like an eternity (two weeks off) we are finally back in action after missing out on the Cup Final weekend and having last weekend off of the league schedule.

Our last outing was likely 1/4 opponents Invicta and I was pleased to see us battle through and take 4-2 win with an empty netter sealing the victory!

The two week gap has allowed a few players time to recover and also the two-way players a chance to ice with the Junior Devils and help them in their playoff push!

Tonight we play a wounded Oxford team who have had their struggles this season. That said, they will be keen to get a win against us this season and have come close on one or two occasions.

We have been working hard in training on our systems and want to see an improvement in our special teams.

The Playoffs are around the corner, and we are gearing up for a big run!

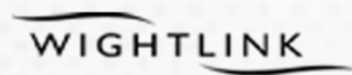

Bring the Noise!

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)

- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences

- Headache arising from the neck (cervicogenic)

- Inability to relax

- Joint pains

- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise

- Back Pain

- Generalised aches and pains

- Lumbago

- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)

- Migraine prevention

- Minor sports injuries and tensions

- Muscle spasms

- Plantar fasciitis (short term management)

- Rotator cuff injuries, disease or disorders

- Sciatica

- Shoulder complaints (dysfunction, disorders and pain)

- Soft tissue disorders of the shoulder

It's Not All About Us

Despite their table position, Oxford are not a team to be taken lightly. As we approach the Playoffs, they will be looking at getting wins under their belts to build up their confidence. In the previous games, Oxford have made the Devils work hard, with the last two games going to overtime, and Oxford will be looking to improve on that form for this final meeting of the two teams in the regular season.

With either Miller or Cech between the pipes, Oxford can be sure of causing problems for any goal scorer. Defensively, Nethersell has proven himself capable, able to switch easily from defending to attacking. Up front, Hullaby and Lawday have shown their abilities this season, leading the team in points with 20 and 16 respectively, and they have been strengthened with the signing of Pentecost, who has managed 1 goal and 2 assists in his 2 games with the team so far.

Captains Corner

Good evening to both the home & away travelling supporters.

Tonight, we get back to it and look to take on Oxford which always gives an entertaining and fast paced game.

This week we had probably the best training session of the season and have worked hard to ensure we implement this into this weekend's games.

I want to give a shout-out to Maxine Bonage, who's birthday it is this evening! Happy birthday to all of us from the Devils! Enjoy your special day!

Please make your way to the Sailmaker after the game so we can catch up with you all!

Enjoy the game and I'll see you out there!
