Solent Devils Vs Romford Buccaneers

Game Day Programme

Sunday 22<sup>nd</sup> September

Face Off – 1700

# A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Romford Buccaneers!

Last weekend saw us take on the Dynamos in what turned out to be a disappointing result. After racing into an early 3-0 lead, we lacked a bit of maturity to see the game through. Credit to Invicta, who never gave up and came back hard for their victory.

This weekend sees us complete a role reversal for games as we travel away to Slough in what will be a tricky encounter against one of the league favourites in the Jets. We are looking forward to the challenge and the boys worked really hard in training Thursday to prepare.

Sunday will see a home game for the first time in a long while, which will be a little strange. Romford are a consistent team with lots of talented youngsters complimented by senior players such as Huska and Wilson. They will be a stern test, and we will be looking for a positive performance and result at home to hopefully end the weekend on a positive note.

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

# It's Not All About Us

The Buccaneers have a history of being a tricky team to play against, particularly for the Devils. With young, experienced and fast paced players backed by a strong core of experience, Romford will be looking to shake things up this season and improve on both their performance and positioning as they will be seeking silverware. With solid defensive players, they are adept at counter-attacking and will seek to exploit any turnovers they get.

The signing of Huska has given them a strong offensive capability. Getting 2 goals and 2 assists in their opening game sets his statement for his returning season, especially backed with Dervish and Pascale, both fast and experienced players in this league. Defensively, Taylor, Wakeling and Campbell are ones to watch, with Campbell proving equally as capable of scoring goals as he is at stopping them. Veteran netminder Phillips is always a challenge to score against, his ability to read the play forcing attacking players to work hard against him.
