

SOLENT DEVILS

Solent Devils Vs Milton Keynes Thunder

Game Day Programme

Saturday 07th September

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the MK Thunder.

Last season ended with mixed emotions, a wonderful run at the end of the year saw us defeat heavy favourites Streatham in the Playoff Semis, but frustratingly we fell short again at the final, which has been the story of the past decade. Whilst it was disappointing, I was, as always, immensely proud of our group.

The summer brought about the biggest upheaval in my time at the club, with experienced players stepping away from the game and also key players moving to other teams, we had a challenging summer of recruitment. One thing is for sure, our reputation has improved over the years, and it was so good to talk to players and them have a desire to come play for our club. The signings of Jack Hoppes, Harry Harcup and Tom Banner, to name a few, shows we are able to attract top British talent to the club.

Training has gone really well, and we are confident of a positive start. MK have already started the season last weekend, so we have to be ready for a team that may have an extra step. Hopefully the boys can get off to a great start and give the fans a big win for our season opener.

Bring the noise,

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

Milton Keynes have undergone a lot of changes in the off-season and are looking like a different team to the one many would have been familiar with. A new head coach has brought a new set of priorities, and several new signings are already looking promising. Despite not getting the result they would have wanted in their opening game, there was a lot of positives for them, not least taking the lead within the opening minute of the game. Overall, Thunder are looking like a team to watch this season.

Their new signings include Madi Wright, who earned Player of the Game from their opener, showing her solid defensive skills. Other players to watch include 17-year-old netminder Kaleb Sheahan, who made an impressive 40 saves in their opening game, and 18-year-olds James Bryan and Xander Robinson, both scorers from that opening game with Xander being the one to score 34 seconds into the game.

Captains Corner

A very big welcome back to the rink! It feels amazing to see you all here! I hope you've had a fantastic summer. We've been eagerly awaiting this moment, and I know the team is just as excited as you are to get the season started with our first home game!

Looking back at last year, we had an incredible run, finishing second in the Playoffs. The journey was filled with unforgettable moments and your support was a crucial part of our success. The energy you brought to every game was unmatched, and we felt it every step of the way.

This year marks a new chapter for me, as I step into the role of Captain for the first time. It's an honour, and I'm committed to leading this team with everything I've got. We've got some new faces on the roster, and they've already shown they're ready to make an impact. I'm confident that, together, we can build on last year's successes.

So, let's make this season something special. Your support means the world to us. Let's get loud and make every game count!

Here's to a great season ahead!
