

SOLENT DEVILS

Solent Devils Vs Slough Jets

Game Day Programme

Saturday 12th October

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Slough Jets.

Last weekend saw us play a single game fixture against the Romford Buccaneers in a game at the Sapphire. We knew from previous results in the past 2-3 seasons that this game was going to be tough. We had to battle through losing 2 players in the game to injury before fighting to secure a 3-2 win.

This weekend we welcome Slough for their first visit of the season. After our performance last month against the Jets, we are eager to put in a performance worthy of the fixture. Slough have been one of the teams to watch at the start of the season, and their record, including GA, is very impressive. Their energy and youthfulness is really key to their success. That being said, we are excited for the test.

As you would have seen with our injury concerns this week, we were able to secure none other than Elliot Lewis on loan from the Bristol Pitbulls for this fixture. This loan works out for both Elliot and the club. For Elliot, he will get some much-needed minutes during the early part of the season for the National League players. Without any fixture today for Bristol it made sense. And for Solent, with players out injured, and as many as 3 players a game day decision, it made sense to secure Elliot to ensure we are competitive at the top end of our lineup.

Let's hope for a busy crowd and a good game!

Bring the noise,

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions

It's Not All About Us

The Jets have strengthened in the off season and are currently enjoying a strong winning streak, with 3 shut-out games in a row. As such, they'll be looking to continue that strong start with their second meeting of the Devils this season, as well as beginning to climb the table.

Sebastian Mohr and Goodchild currently lead the team in points, both on 9, with Christian Mohr slightly behind on 8. All three are ones to watch, in addition to Luke Smital, Miles, Ealey-Newman and English. With such strength in depth to call upon, it is easy to see how the Jets are looking to push for primacy this season. The team is also strong defensively, with experienced netminder Matt Smital between the pipes backed up with the defensive skills of Cole, Minter and Hatfield, again, amongst others, any goal scoring opportunity will be hard fought for and need to be well executed to make it into the net.

Captains Corner

Good evening, everyone and welcome back!

It's great to be back on home ice after not having a home game last weekend. We're coming off a well-battled win on the road against the Romford Buccaneers, and the lads are feeling strong and confident.

Tonight, we've got some unfinished business. The last time we faced Slough, it didn't go our way, and we're ready for payback.

After another solid training session, the team is ready for tonight's challenge, and we'll be giving it everything we've got to keep this train rolling. Your support makes all the difference, so let's get loud and get behind the lads.

Enjoy the game!
