Solent Devils Vs Oxford City Stars

Game Day Programme

Saturday 19th October

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Oxford City Stars for the first of a double header weekend.

Last weekend saw a sellout crowd pack the arena, but unfortunately, we were unable to deliver on the ice with a performance that was worthy!

We have started slowly in a few games so we will address this with a different line up and mind set for our opening face offs for the short term.

Training Thursday we focused on zone exits and our transitions as we look to bounce back this weekend.

Saturday we host the City Stars who have a good account of themselves in the first meeting between us back in September.

They are a young group with lots of energy and are playing with freedom which means they are a threat, and we will be treating the game as one that needs our full attention and effort to get a result.

I, like many of the guys, have been eager to get back on the ice and put in a performance worthy of the crowd, so I hope you are loud and get behind us as we go hunting for a 6-point weekend.

I'm also really pleased with our Halloween jersey launch. It's been a dive into the unknown with themed nights at Solent, so I hope you all get behind the theme and really support the cause.

Bring the noise,

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A young and energetic team, Oxford is currently undergoing a rebuilding period. Despite their low position in the table, they are not to be underestimated and have managed to secure wins against the Wildcats NIHL1 and Thunder. Their fast pace could spell danger, especially on the smaller rink, and the Devils will need to be on their guard for counter attacking opportunities.

Williams and Peacock, a former Devil, come into this game as the current point scorers, Peacock with 3 goals and 3 assists and Williams with 1 goal and 5 assists. Both will be looking to continue this form this weekend. With Hemmings-Maher and Cooke on defence, counter attacks will always be a danger when the Devils look to attack. The final hurdle to overcome will likely be Miller, a veteran netminder of NIHL1 and solid shot stopper. Oxford will be looking to turn their fortunes around and start moving up the table and are likely to come in this game in strength.

Captains Corner

Good evening, everyone and welcome back to the rink for tonight's game against the Oxford City Stars! First off, a huge thank you for all your support during our last home game, even though we took a disappointing defeat against the Slough Jets. Your energy never goes unnoticed, and we really appreciate it.

The lads are eager to bounce back this weekend and get back to winning ways. We've got a doubleheader ahead, starting with Oxford tonight and then Cardiff Fire tomorrow, who we haven't faced yet this season. We've reflected on last weekend's game, worked hard in training, and we're ready for the challenges ahead.

Let's get loud, get behind the lads, and enjoy the game!
