

SOLENT DEVILS

Solent Devils Vs Swindon Wildcats NIHL 1

Game Day Programme

Saturday 26th October

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Swindon Wildcats for our Halloween themed hockey night!

Last weekend we were looking to bounce back following defeat at home the week prior to Slough, as we faced a depleted young Oxford team. The real positives from the game came when we were able to roll the youngsters into the line up and get them the minutes they need to get some confidence and opportunity. Charlie Wedge and Oli Cackett scoring some important personal goals and Leo Harris and Ben Mills registering several assists, and Rory's performance meant that, overall, it was a positive game.

Onto Sunday, and a 4-hour trip for several of us saw us arrive in Cardiff for a 7pm faceoff. The Fire certainly haven't changed much since the last time we played them, physical, aggressive and sometimes out of control meant we ended up with a few injuries from the game. Harry Harcup and Leo Harris, the two main victims of some questionable hits! That said, our powerplay worked really well, and the top unit was able to score some important goals, with Jack Hoppes really settling into his role leading the top unit. Aaron also bounced back in net with a solid road performance to help us collect another 6-point weekend.

Tonight, for our Halloween themed night, the team have our first ever go at a themed jersey. We are really grateful for all those who have purchased one. If you would like your jersey on the night, head down to the room after the game for a picture and a presentation from your player.

Although there is lots to celebrate, our opponents will not be there just to make up the numbers. Swindon are a strong team who upset the Dynamos recently, and with the likes of Jay Warren, Ben Nethersell and new signing Dan Bradley, we need to be mindful that they will be wanting to spoil the party.

It's a one game weekend for us, so I know the boys will be emptying the tank to ensure we keep the train rolling.

Bring the noise,

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A new team in NIHL 1, Swindon have begun to settle in and will be looking to make a statement. Their first visit to Gosport and the second meeting of the two teams, Swindon will be keen to reverse the result from the earlier meeting. Having taken points off Fire, Thunder and Invicta, as well as suffering a close, overtime loss to the Buccaneers, they'll be aiming to capitalise on these wins and move up the table.

Lawday and Warren are likely to be at the front of any attacking move by the Wildcats. Should he be fit for the game, former Devil Osman is likely to be keen to start getting some points on the board as well. With their new signing, Bradley, the Wildcats have strengthened their defence and, alongside Stone and Nethersell, they'll be dangerous on the counter-attacking opportunities. Between the pipes, Clarke-Leach is setting himself up well, but they also have Massey and Dibble to call upon, with any of these three likely to present a formidable final hurdle to overcome.

Captains Corner

Good evening, everyone and welcome back! We're coming off a great weekend of hockey where the lads brought home the 6 points after strong performances both at home against the Oxford City Stars, and away to the Cardiff Fire. The team is buzzing, and we're happy with how we played, but we're not done yet.

We can't wait to get back at it this weekend, taking on the Swindon Wildcats 2, and we're focused on keeping that momentum going and keeping the train rolling.

Tonight's also a special one, as we're excited to be wearing our first themed jersey of the year! We hope you love it as much as we do. Your support means everything to us, so let's get loud and make it another great night at the Thunder Dome!

Enjoy the game!
