Solent Devils Vs Invicta Dynamios

Game Day Programme

Saturday 9<sup>th</sup> November

Face Off – 1700

# A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Invicta Dynamos for their second visit to the Cauldron!

Last weekend saw us take on the league champions and spirits were high following a run of positive results. The RedHawks had played Slough the night before and, with the Saturday off, we had hoped we could be physically fitter and compete on their big ice surface. Unfortunately, whilst the performance was a positive one, we came up short in front of goal and failed to capitalise on the chances we had, which predominately came up in the second period. I felt the team played well, but we often become isolated with the puck and that made it easier for Streatham to turn over possession. Aaron had a solid game in net, and this helped us stay in the game until the bitter end, but ultimately, we came up short.

Tonight is the start of a double header weekend as we go back-to-back against the Dynamo. These fixtures are potentially very important for us in our quest to remain in contention at the top. Win both, and we keep up with the top 3, lose both and we get pulled back down into the battle for 4<sup>th</sup> with Invicta and Romford.

Invicta have already tasted victory here at Solent and we can't forget the manner in which that defeat happened. We have vastly improved since then and I'm confident if we start fast again, we won't look back!

Here is hoping for a positive weekend for the boys!

#### The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

# It's Not All About Us

A fast-paced and hard-hitting team, Invicta will be looking to climb up the table tonight. Following their last visit to the Gosport Arena, they'll be coming with some confidence, coming from 3-0 behind to win 4-6. Having had fairly mixed fortunes since then, they'll be keen to get some more wins behind them as we move towards the middle of the season.

Soar is their current points leader, with 17 goals and 9 assists, closely followed by Thune, with 25 points. Springer-Hughes and Connolly are also high in points, with 23 each. These players will be aiming to make an impact tonight and likely to form dangerous attacking opportunities between them. Scott, Chard and Lillis will be key members of the Mos defence. Windebank has proven to be solid between the pipes, with an impressive save percentage of 0.913% and will prove to be a hard final challenge for any Devil's attack.

# Captains Corner

Good evening, everyone! Welcome to tonight's game against the Invicta Dynamos! We're facing the Dynamos both home and on the road this weekend – so it's a big weekend for us! We focused on coming away with the two wins.

Last weekend, we came up short against Streatham and the boys were disappointed with the result. We felt we put in a strong performance, but, unfortunately, the score didn't reflect that effort. Still, there were a lot of positives to take from that game, and we've worked hard to build those in training this week.

The lads are ready and up for this weekend's challenges. We know the importance of these two games, and we're determined to leave it all on the ice. So, let's bring the noise tonight and get behind the lads! Enjoy the game!
