Solent Devils Vs Slough Jets

Game Day Programme

Saturday 30<sup>th</sup> November

Face Off – 1700

# A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Slough Jets for our final encounter of the regular season.

Last weekend saw the reverse fixture at the hanger, in which we fell to a disappointing 4-0 loss. I felt Aaron kept us in the game for large periods, and we failed to capitalise on our power play when the scores were even and close. Two 5-3 power plays with no goal was something we certainly worked on this week in practice. Being clinical and supporting the puck carrier is something we need to improve against the bigger teams, and we will look for a more all-round performance tonight.

Looking forwards to tonight's fixture. We have gone from a full-strength team to a little light, as we lose Cain, likely until January with an upper body injury, Mason, due to work commitments until January, and likely Lackey as he and partner Sarah await the arrival of their first baby girl.

This provides opportunities for others and sees the likes of Charlie, Oli and Kris all move up the line up into key roles as well towards our depth to show what we are capable of.

We hope there is a big crowd tonight to get behind the boys and really help us towards a positive result!

Bring the noise,

#### The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains

- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions

# It's Not All About Us

As we move towards the Christmas break, Slough will be looking to continue their form. So far this season, only Streatham has been able to take points off them and this being the last meeting for regular games between Slough and the Devils, they'll be looking to finish strong and set the tone for any potential cup or playoff meetings.

A young, fast paced team, Slough play in a highly attacking manner, particularly when playing short-handed. Goodchild currently leads the team on points with 32, with both C and S Mohr close behind on 26 and 23 respectively. All three players will pose problems on the attack, especially when coupled with L. Smital, English or Hemmings-Maher. Cole, Minter and Harman give the team highly versatile and capable defence, with each being just as capable of scoring as they are of stopping any attacks. M. Smital has had a superb season between the pipes, though Slough can also call upon experienced netminder Gregory. The recent addition of Liddiard has strengthened Slough's defence and added another experienced player to help in their depth of play.

# Captains Corner

Good evening, everyone, and welcome back to the rink for tonight's home game against the Slough Jets!

After no home game last weekend, it's great to be back in front of our fans, and we're ready to put on a show for you tonight!

The lads were disappointed with the result last weekend, but there were plenty of positives to take from the game. We also identified areas to improve, and we've worked hard on those in training this week to make sure we're ready to bounce back stronger.

Tonight, the team is hungry for a win. We know what we need to do, and with only one game this weekend, we're determined to leave everything we've got on the ice. Your support always gives us that extra push, so let's make this place loud and get behind the lads!

Enjoy the game!
