

SOLENT DEVILS

Solent Devils Vs Streatham RedHawks

Game Day Programme

Saturday 14th December

Face Off – 1700

A Word From The Coach

Good Evening everyone and welcome to the Solent Arena as we welcome the players, staff and supporters from the Streatham for our Christmas Themed Night!

Recently we have had a series of single game weekends, which have been a little strange in terms of getting going and stopping again. It's always hard when you lose a single game weekend and it's another 7 days before you can make amends. The losses to Slough were frustrating, but I was pleased with everyone's performance against MK, and we need to take our clinical shooting into tonight's game. It was good to blend in some more youth from the NIHL 2 team, with Ollie and Aston making their debut for the club. I've always said that the pathway is there for any player willing to work hard and has the right attitude. With injuries and personal availability impacting the line up in this current stretch, it provided an opportunity for them, and I was pleased with how they played last week. We've also brought back Jack from Oxford, who will help our offensive game as well as having experience of playing at this level and for our club. It will mean there will be competition for places when everyone returns to the line up, but that will hopefully bring out the best in everyone.

Turning our attention to tonight's Christmas themed evening and I'm delighted to be able to play in our limited-edition Christmas jerseys! There is no bigger game to play before Christmas and with the game sold out before even writing this just goes to show how important this fixture is. Streatham have been a thorn in our side for many seasons, but we will be working hard to improve our performance against this top team this season. We want to put together a solid 60 and take a win which will ensure our cup qualification as well as keep us in touch with the top 3!

After the game, we hope many of you can join us in the Skate with the Devils and I'm hoping it will be smiles all round after a positive performance.

Bring the noise,

Muzza #73

Bring the noise!

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A fast paced and clinical team, Streatham have once again started this season strong. Having only one loss so far, and being the only team to take points away from the Jets, they will be looking to taking that form into the new year. Despite some key players moving on at the end of last season, they've retained a solid core and, having signed several talented players, they've set their sights on continuing their form of recent years with a top of the table finish once more.

Brittle currently leads the team in points, having scored 23 goals and 21 assists, followed by Watt and Doughty, on 35 and 28 points, respectively. All three will be looking to put in game deciding performances tonight, especially when coupled with Beesley, both Lanes or Cathcart. Stead, Tombs and Warman are always a danger defensively, often taking any attacking opportunity and turning it into a counter-attack. Even should an attack make its way past the defence, Shepherd or Milton will both offer solid final hurdles to overcome.

Captains Corner

Good evening, everyone, and welcome back to the rink! After an away-only weekend against MK Thunder, where the lads put in a solid performance, we had the chance to work on a few key areas in a game situation and build on our progress.

The team is ready and fired up for this doubleheader weekend. We had a strong training session on Thursday, and we're bringing that energy into tonight's game against the Streatham RedHawks. The lads know how important this game is – these points are crucial to keep us in the cup, and we're determined to deliver.

We know what we need to do to get the win tonight, and the focus will be on sticking to the game plan for the full 60 minutes. Your support always gives us that extra push when we need it most, so let's make this place loud and get behind the lads.

Enjoy the game!
