

SOLENT DEVILS

Solent Devils Vs Slough Jets

Game Day Programme

Saturday 4th January

Face Off – 1700

A Word From The Coach

Good Evening everyone to the Solent Arena, as we welcome the players, fans and officials of the Slough Jets for the first leg of the Cup Semi-Final!

Qualification for the cup went down to the wire, as results against Invicta in our first home and away fixtures of the season saw the Dynamo take 4 of the 6 available points. This meant that only a win in regulation against the RedHawks back in December would result in qualification. After failing to qualify for the cup last year, the guys put in a great performance to secure a 3-1 win and secure our passage into the Semi-Final.

Finishing second in our group behind Streatham has resulted in a two-legged affair with the Slough Jets! Strangely we have already completed our four fixtures against Slough, so these post-Christmas is a perfect opportunity to get a few things right! It's no secret that we have been second best against Slough this season, but everyone knows Cup ties are special, and we will be doing all we can tonight to give us a chance at qualification tomorrow!

We really need your support, so we hope to hear you loud and proud tonight!

Bring the noise,

Muzza #73

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A fast paced, clinical team, the Jets have set out this season to take some silverware back to the Hanger, with tonight's game being the next step in that plan. With precision passing and their ability to take the game to their opponents, both even and short-handed, Slough will prove to be a formidable opponent in both legs of this Cup Semi-Final. Having defeated the Devils in all the league games this season, this showdown is likely to be an exciting match as both teams look to advance in the Cup, as well as prepare for the Playoffs.

Even with the quality in depth of the Jets, there are several players to watch. Goodchild has proven to be a high-quality goal scorer, rarely missing his target, and currently leads the team in points, with an impressive 23 goals and 22 assists. He is closely followed by C. Mohr and S. Mohr, with 39 and 34 points respectively. These three are likely to be key to any attack made by the Jets over the course of this weekend. Defensively, Minter has proven to be difficult to overcome and is likely to be one of their main players for counter-attacking, alongside Cole, both having a proven ability to score as well as using their experience and knowledge to read the game and set up the scorers. Between the posts, M. Smital has been solid this season and is likely to prove a difficult final hurdle in any opportunity the Devils may have.

Captains Corner

Good evening, everyone, and welcome to the first leg of our Cup Semi-Final weekend against the Slough Jets! This is a massive weekend for the team, and we're ready to give it everything we've got to secure our place in the final!

The lads were disappointed with our performance last weekend against Chelmsford. It wasn't the level we expect from ourselves, but we've taken it as a learning experience. The team has worked hard in training this week, staying focused and dialled in, and we're fully prepared for what we need to do across these two crucial games.

We know how important it is to perform – not just for ourselves, but for all of you who've been with us every step of the way. We owe both Slough and ourselves a big performance this weekend, and the team is fired up and ready to deliver.

Your support always gives us that extra push when we need it most, so let's make this place loud tonight! Get behind the lads, and let's start this Semi-Final weekend on the right foot!

Enjoy the game!
