

SOLENT DEVILS

Solent Devils Vs Oxford City Stars

Game Day Programme

Saturday 8th March

Face Off – 1700

A Word From The Coach

Good Evening everyone to the Solent Arena, as we welcome the players, staff and supporters from the Oxford City Stars in our final league encounter.

With the League Cup final Tonight, us, our focus now turns on gearing up for the Playoffs! The team is pretty much back to full strength and so now we must find the match up that we feel will give the team the best opportunity to be successful.

Competition for places is very Tonight, and the guys have been working hard this week to prepare for a big weekend which will see the team face two teams with points to prove. In addition to our two games, the NIHL 2 Team also need victory in Bristol on Sunday to secure a playoff spot, so we will be managing our squad to ensure we give ourselves the best possibility to take home 3 wins from this weekend!

Tonight our opponents, Oxford, are a young, fearless team with a goalie who can steal games for them if we start on the right foot and get on top early, this should be a routine win, however if Miller has a game and we're not clinical then anything can happen!

Finally, your support over the past few weeks/months has been incredible (in particular the Cup Final). I cannot tell you how proud I am and how humbled we all are.

With limited games left at home this season, we aim to put on a show for you tonight!

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A young team, Oxford will be keen to get a win tonight as they battle with Cardiff for a Playoff spot, who currently sit one point above them. With their fast-paced style of play, Oxford will be looking to slip players behind the defence and use their energy to gain an advantage in this game. With the last meeting between the Devils and Oxford being close, they will be looking to turn their fortunes around in this game.

Williams currently leads the team in points, with 14 goals and 12 assists, and is likely to be a key player in tonight's game plan, particularly if supported by Tydings or Cooke, both with 10 assists. On defence, both Hemmings-Maher and Liddiard have proven solid, their ability to read attacking plays making them tough opponents to beat,. Both these players will be looking to disrupt any Devils attack and turn the puck over for a quick counter. With Millar between the posts, any attack would face a strong final hurdle, with his proven ability to make some outstanding saves, he will be key to keeping Oxford in position to take a win tonight.

Captains Corner

Good evening, everyone, and welcome to tonight's game against Oxford City Stars!

With just a few games left before the Playoffs, the lads have been working hard in training, making sure we're ready for this final push. After a win against the Romford Buccaneers last weekend, we're looking to keep that momentum going and pick up all six points in this doubleheader weekend against Oxford City Stars tonight and Milton Keynes Thunder Sunday.

Every game from here on out is crucial, and we know what we need to do to get the job done. The team is locked in and determined to keep building as we head toward the Playoffs.

As always, your support gives us that extra push when we need it most. So be loud, get behind the lads and let's make this a weekend to remember!

Enjoy the game!
