

SOLENT DEVILS

Solent Devils Vs Romford Buccaneers

Game Day Programme

Saturday 8th March

Face Off – 1700

A Word From The Coach

Good Evening everyone to the Solent Arena, as we welcome the players, staff and supporters from the Romford Buccaneers in our final league home fixture of the 2024-25 season.

As we look back on the regular season which started in early September, so many people had written us off, with the turnover of players and the team improvements around the league. I have to say, I couldn't be prouder of what we have accomplished as a team this year. A Cup Final, a competitive league season and a Playoff ¼ Final tie against the Invicta Dynamos has meant we are there or thereabouts with the big teams in the league.

Tonight we face the Romford Buccaneers who are a really strong team this year and have pushed all the way for a top four finish.

With players like Huska and Harvey Briggs offensively, they will always be a threat. Sonny Phillips in net will provide a stern test for us and our focus recently has been to be more clinical. Today will be a great test for our team as we gear up for the Playoffs, and we hope as many of you as possible are able to join us for the skate after the game.

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A resilient and well drilled team, Romford will be looking to get all they can from the last few games of the season. Sitting 10 points behind Invicta, with two games in hand, they'll be hoping to get the points to finish in 5th place. As most of the table still has a chance of changing, Romford will be looking at this, and their remaining games, as potential Playoff games and be looking to go into that final part of the season with the confidence a winning streak can bring.

The threat they pose up front can not be understated. Solid goal-scorers such as Huska, Pascale, Briggs and Sylvester will mean the Devils will need to be tight on defence to stop any opportunity they may get. Defensively, Campbell, Burnett and Wakeling have proven their ability to give the Buccaneers turnovers as well as disrupting any attacking opportunity. Phillips is the most likely to be between the posts tonight, his ability to read the game making him a formidable final barrier, though Van Mullem and Rider would also prove to be difficult opponents in any hard-fought goal-scoring opportunity the Devils may get.

Captains Corner

Good evening, everyone, and welcome to our final home game of the regular season against the Romford Buccaneers!

We are now in the final countdown to the Playoffs, with just three games left, including this weekend's double header. After a six-point weekend last time out and a strong week of training, the lads are feeling ready for the challenge tonight. We know what we need to do to secure the three points, but we're also using these final games to fine-tune our play and make sure we're in the best possible shape heading into the postseason.

Tonight is an important game, and we'll be looking to carry this momentum into tomorrow's tough road game against Chelmsford, where we'll be aiming for some redemption after the Cup Final weekend. The lads are locked in and ready to give everything to keep this train rolling.

As always, your support gives us that extra push when we need it most, so be loud and get behind the lads. Enjoy the game and we look forward to seeing you all on the ice after the game for Skate with the Devils!
