

SOLENT DEVILS

Solent Devils Vs Invicta Dynamos
Game Day Programme
Sunday 30th March
Face Off – 1700

A Word From The Coach

Good Evening everyone to the Solent Arena, as we welcome the players, staff and supporters of the Invicta Dynamos for the second leg of our Playoff Quarter Final.

Firstly, and most importantly, I would like to wish a Happy Mother's Day to all those wonderful mothers, in particular the ones who have to put up with hockey players and our crazy schedules!

The Playoffs are such an exciting time. It's knockout hockey and that brings an extra element of desire, hunger and passion from the team!

Last night our visit to the Stables was a positive one. Coming home with a 3-0 lead in which Aaron played incredible really gives us the confidence coming in to today to get the result we need to advance.

We know that Invicta will be coming with nothing to lose and will be giving it their all, and with a talented roster, we have to be mindful, yet confident, of a positive result.

We really hope you are there in your numbers to help us get through this tricky encounter.

We look forward to putting in a performance worthy of your support.

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A physical and fast paced team, the Dynamos will be coming out hard for this second leg fixture. Following last night's game, the Mos will be looking to take an early lead and start to reduce that deficit, and with their talented line up, this fixture, that has fast become a regular in the Playoffs, is by no means over yet.

Connolly currently leads the team in points, with 29 goals and 40 assists, and is likely to continue being a key player for the team. He is closely followed by Soar and Thune, on 60 and 44 points respectively, and when coupled with Springer-Hughes, they are all likely to cause problems for the Devils defence tonight. For their own defence, Stokes, Lillis and Oliver proved tough to get around in last night's leg, and their ability to read the game, intercept passes and create counter-attack opportunities, they'll not only be integral to the Mos defence, but also to any attacking opportunities they will get. Divall is likely to be between the posts tonight and, if last night is anything to go by, he's likely to prove to be a difficult final hurdle for any Devils attack.

Captains Corner

Good evening, everyone, and welcome to tonight's Playoff Quarter Final against the Invicta Dynamos!

The Playoffs are what we've all be working toward, and the lads are pumped and ready for a strong run. Last night, we put in a solid performance and came away with a 3-0 win in the first leg, but we're coming into tonight's game with the mindset that it's still 0-0 and there's still a job to do.

We know what's at stake, and the team is locked in on one objective – getting the job done and securing our place in the next round. The lads know exactly what they need to do, and we're looking to put in another strong, disciplined performance tonight.

A massive thank you to all the fans who travelled to support us last night – it made a huge difference, and we really appreciate it. Now, let's bring that same energy here at home, be loud, and give that lads that extra push when we need it most.

Enjoy the game!
