

Solent Devils Vs Swindon Wildcats 2

Game Day Programme

Saturday 25th October

Face Off – 1700

A Word From The Coach

Good evening, everyone and welcome to the Solent Arena as the Swindon Wildcats roll into town!

We trust their players, management and supporters have had a safe trip down the A34 for our Halloween themed league cup fixture!

After what seems an eternity, we are finally back on home ice. I want to thank all our supporters who have remained patient and our trusted players and supporter club group who have managed every challenge faced in the last month with resilience and willingness. It has really helped ensure the team continued to run without a home!

This season has been strange for sure, last weekend we travelled to Cardiff after cancelling our home game due to the ice resurface, and I knew we would struggle with that match sharpness to an extent but still felt we had enough quality to beat the Fire! After outshooting them 70-20 you would have hoped for a positive result, but it wasn't to be. Their goalie kept them in the game, and we lacked a killer instinct around the goal. To think we have only been in a losing position for about 5 minutes this entire season, you would have thought we would have had more points in the bag but two OT defeats and a last-minute loss to Slough has meant we are currently sitting just above .50 on win rate.

Tonight, we welcome Swindon who we have faced once already this season. They are a young, fast and skilful team with a great experienced coach in Ken Forshee. They have already beaten some big teams this season and will be looking for another scalp tonight. If we remain defensively sound and find our scoring touch, I'm confident we will have a positive result.

We hope you enjoy the themed night and have either made a pumpkin or are in fancy dress

Let's hope for a busy rink with a loud atmosphere!

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

Chiropractic is a primary health care profession focused on your health and wellbeing

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

Swindon Wildcats have started this season strong and will look to further build momentum. Having developed well last season, they will be looking for league positioning and silverware opportunities this season, as they continue to establish themselves as a competitive team in the league. With several key wins already under their belts, and currently in first place of the Group A table, they'll be wanting to continue that drive as they make that push for the Cup.

With 9 points from 5 games, Warren is a key player for the team, especially when paired with Williams, Turner, or Goddard on offense. Nethersell, Harding and Burnett are stalwart defenders, making getting a clear shot on the goal difficult at best. Additionally, they are likely to be key to any counter-attacking opportunity. Clarke-Leach is a proven shot stopper and a formidable final hurdle for any player that does get through on goal to have to work around.

Captains Corner

Good evening, everyone, and welcome back to the rink for tonight's home game against the Swindon Wildcats 2!

It's great to finally be back on home ice after a couple of weeks without a home game and no training due to the ice issues. The lads are fired up and ready to get back out there in front of our fans.

Last weekend's penalty shot loss against Cardiff Fire was a tough one to take we weren't happy with the outcome or our overall performance. Since then, the lads have worked hard, managing to get a couple of solid training sessions in at Ozone Ice Rink this week to make sure we're ready for tonight. The focus is simple: put things right and make sure we come away with the three points.

We've missed playing in front of the best fans in the league, and we can't wait to see you all back in the stands especially with all the Halloween outfits tonight! Let's make the place loud, get behind the lads, and enjoy the game!
