

SOLENT DEVILS

Solent Devils Vs Cardiff Fire

Game Day Programme

Saturday 15th November

Face Off – 1700

A Word From The Coach

Good evening, everyone and welcome to the Solent Arena, as we host the Cardiff Fire for what is a very special night for our club.

We extend a warm welcome to their players, staff and travelling supporters, and hope they've had a smooth journey to the south coast.

Tonight is our Remembrance Night, an occasion which means a great deal to everyone involved with the Solent Devils. We are proud to be wearing our special Remembrance jerseys, which have been auctioned off with all proceeds going directly to the Royal British Legion. There are still a few jerseys left, so please get a bid in for this wonderful cause. It's a cause close to our hearts, and we're honoured to support the incredible work they do for our servicemen and women. Although we find ourselves a week on from Remembrance Sunday, as a club we felt it was important to mark the occasion on our closest home fixture. With our strong links to the Armed Forces, especially the Royal Navy, we wanted to show our respect properly. We are also privileged tonight to have a bugler performing the Last Post, along with players and servicemen and women from both clubs laying wreaths as a moment of remembrance and reflection. I hope you'll join us in observing this with the dignity it deserves.

On the ice, the last 3-4 weeks have certainly tested us. Three losses on the bounce is not where we want to be, and the boys know that. But I want to make it clear: the work behind the scenes has been excellent. Training has been sharp, committed, and full of intent. The group has pulled together, pushing hard to get things right and the reaction to this week has been exactly what you want to see from a hungry team.

There have also been some fantastic positives recently that deserve recognition. Former Devil Elliot Lewis and current Devil Liam Kennington both made their Elite League debuts, which is a tremendous achievement for them. And perhaps the biggest highlight for us: Charlie Wedge signing a two-way agreement with MK in the National League. It's a brilliant step for Charlie and a reminder of the pathway our club provides for developing players. We're incredibly proud of the three lads and what they represent for the Devils' programme. As for tonight, it's a big one for us. Last time we travelled to the Vindico Aren, we came away bitterly disappointed after dominating large stretches of the game but not getting the result. The boys haven't forgotten that. Cardiff are well-coached, competitive, and in Scanlan, they have a goaltender capable of stealing games on his own. If we want the points tonight, we need traffic to the net, smart shot selection, and a relentless attitude around the crease. This is a must-win for us, and I'm confident the group is ready to step up.

Thank you again for your incredible support, let's make sure the rink is loud tonight!

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

Chiropractic is a primary health care profession focused on your health and wellbeing

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

Cardiff Fire will be looking to come out strong this weekend. Having taken the shootout win in the last fixture with the Devils, they're likely to come to Gosport with a confident view. A young, passionate team, they are capable of quickly shifting from defence to attack and with a solid defence and several strong shooters, their fast pace and tenacity will likely prove key in their plans for tonight's match.

Scanlan has proven himself to be a solid shot stopper, and the first line in any counter-attacking opportunity. Llewellyn, Sheppard and I. Davies are likely to form a key part of their defensive strategy, particularly with them sitting fairly high in the team in terms of points. With Poole, Lloyd or Hind-Pitcher up front, the Devil's defence is likely to be well tested, particularly when coming from their own end, using their pace and precise passing to good measure.

Captains Corner

Good evening, everyone, and welcome to tonight's game against the Cardiff Fire.

Tonight is a special and important night for us as we wear our Remembrance Day jerseys with pride. As a team and as a club, we come together to honour and remember all those who served, sacrificed and gave their lives. Their bravery allows us to have the freedom to be here today.

The lads are ready to go after having no games last weekend. We've been working hard in training, especially after some recent performances where we know we could have done more. We've focused on the areas we lacked in during previous games, and we're looking to bring that work onto the ice tonight.

This is a big game for us. We owe Cardiff after the last meeting, and the lads are fired up for tonight. We know exactly what we need to do, and the only mindset we have is to get the win and put in a full 60 minutes of Devils hockey.

As always, your support makes a massive difference. We're proud to skate out in front of the best fans in the league, so be loud, get behind the lads, and enjoy the game.

Lest We Forget.
