

SOLENT DEVILS

Solent Devils Vs Streatham RedHawks

Game Day Programme

Saturday 6th December

Face Off – 1700

A Word From The Coach

Good evening, everyone and welcome back to the Solent Arena, as we host the Streatham RedHawks.

A warm welcome to their players, staff and travelling supporters, we hope you've had a safe trip down and enjoy your evening on the South Coast.

The past month has been a strange one for us. With only three fixtures in the whole of November, it's been difficult to build any real rhythm or consistency. Trips away to both Streatham and Slough were tough battles, and while the results didn't go our way, the effort and commitment from the boys never wavered. That was followed by a positive home performance against Cardiff, and we'll be looking to build on that tonight. The lack of games has been unusual, and not ideal, but the mindset in the group remains strong and focused.

Off the ice, we're pleased to welcome a new face to the Devils family – Josh Martin. Josh brings exactly what we need right now; experience, size and a real physical presence. With Pitts, Russell and a few others currently out of the line-up, adding a player of his calibre at this stage is a massive boost. He's settled in well already and I'm sure you'll see the impact he can have on the ice straight away.

As for tonight, we know we're in for a battle. Streatham are always a force in this league, they are well organised, hardworking, and now strengthened even further with the addition of the very experienced Alan Lack, who brings leadership and a competitive edge to their group. To get a positive result, we'll need to be at the top of our game in every area: discipline, puck management, effort without the puck and taking our chances when they come.

The boys have been working extremely hard in training over the past couple of weeks to make sure we're prepared for the challenge. We want to give ourselves the best possible chance to take three points tonight, and with your support behind us, we know we can make this building a tough place for anyone to come.

Enjoy the game, get behind the team and, as always...

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

The RedHawks have started the season strong, with a clear aim at getting some silverware back to the High Road. With their fast paced, physical game, Streatham will be looking to dominate in all areas of the rink tonight, seeking another win as they push for positioning in the table.

Doughty and Ingoldsby are currently leading the team on points, with 14 apiece, and J. Lane not far behind on 13. They are each skillful shooters, rarely missing a shot and are likely to be a key part of the RedHawks attack plans tonight. With Stead, Dix and Waller on defence, the Devils will have their work cut out getting any attacks on goal, and these three are exceptionally skilled in taking any attack on the RedHawks goal and turning it into a counter-attack. Finally, any attack on the RedHawks will have to get past Milton, an experienced and skilled netminder capable of stopping even the most skilled shot.

Captains Corner

Good evening, everyone, and welcome to the first of this weekend's double header as we take on the Streatham RedHawks tonight, before heading on the road tomorrow to face the Invicta Dynamos.

It's been another strange stretch for us, with yet another weekend off. It's definitely been a stop-start beginning to the season, but the lads have stayed focused. After our last game against the Slough Jets where we didn't play to our standard, we've been putting in the work at training and really working on areas where we are lacking, we've also spent a lot of times breaking down videos to understand where things went wrong and what we need to do to be better.

The lads have taken it on board, and I feel it's really helped everyone see exactly what needs to change so we can get back to competing with the top teams in this league. This is a big weekend for us. It's going to be tough, but the lads are ready, hungry and excited to be back on home ice tonight and to get ourselves going again.

As always, your support makes a massive difference. We're proud to skate out in front of the best fans in the league, so be loud, get behind the lads, and enjoy the game.
