Solent Devils Vs Chelmsford Chieftains

Game Day Programme

Saturday 13<sup>th</sup> December

Face Off – 1700

# A Word From The Coach

Good evening, everyone and welcome back to the Solent Arena for tonight's League and Cup fixture against the Chelmsford Chieftains. We extend a warm welcome to their players, staff and travelling supporters, and hope you enjoy your evening here on the South Coast.

Last weekend was a disappointing one for us in terms of results, with losses to both Invicta and Streatham. That said, there were great periods in both games where we played some strong hockey and showed clear improvements in the areas we've been working to develop. Unfortunately, the third periods cost us on both nights, and that's something we've addressed this week. The commitment from the group remains high, and the direction of travel is positive.

Tonight is a huge game for us. With earlier results shaping the standings, this becomes a winner-takes-all cup match, with the victor earning a place in the Semi-Finals. We've prepared well, and the atmosphere in training has reflected the significance of the occasion. We know Chelmsford are extremely strong offensively and carry threats throughout their line-up. They've also strengthened defensively this week, which will only add to the challenge. But these are the games you want to be involved in, high stakes, fast tempo, and an opportunity to show what you've capable of.

On a positive note, we welcome Lackey back into the line-up after his injury last weekend, and Cain also returns, giving us a bit more balance and stability across the lines. Their energy and experience will be important tonight.

We also hit the road again tomorrow with a tough away fixture in Swindon, which will be another important game for us. But for now, our full focus is on the challenge directly in front of us and giving everything we have to secure a place in the Cup Semi-Finals.

As this is our final home fixture before Christmas, I want to take the chance to wish all our supporters, volunteers and sponsors, and everyone connected with the Devils a very Merry Christmas and a Happy New Year. Your support means so much to the team, and we look forward to seeing as many of you as possible on the ice after the game for our Christmas Skate with the Devils.

## The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

## Chiropractic is a primary health care profession focused on your health and wellbeing

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

# It's Not All About Us

Chelmsford have found their form after a shaky start to the season and will be looking to continue that run. With tonight's game being vital for both teams to qualify for the Cup, Chelmsford are likely to come out fast, seeking to dominate from the beginning of the game. One of the few teams that seems to enjoy playing out of the Solent Arena, we can expect this match to be fast paced and hard fought end to end.

With Ross Miller between the pipes, Chelmsford have themselves a solid, experienced shot stopper who reads the game well and can anticipate plays to make some spectacular saves. He is likely to be a key player in tonight's match, as he has been for most of the season. Backed up with Wells, Hitchings and new signing O'Neil, Chelmsford have a strong defensive unit that is capable of not only stopping any attack, but swiftly turning it into a counter, something the team excels at. With solid shooters, such as C. Bartlett, G. Bartlett, who recently celebrated his 700<sup>th</sup> point for the team, and Soar, these counter-attacks can swiftly turn into goal scoring opportunities.

# Captains Corner

Good evening, everyone, and welcome to tonight's League and Cup game against the Chelmsford Chieftains.

We've got a big weekend ahead, with a tough road trip to Swindon Wildcats 2 on Sunday, but our full focus is on tonight and it's a huge one. A win here could secure us a spot in the Cup Semi-Final, so the lads know how important this game is.

We were disappointed with the results last weekend. We know we didn't get the job done, and the lads have been putting in the hard work this week to make sure we bounce back. The positives are that some of the areas we've been focusing on the last few weeks have improved, we just need to tighten up in a few key moments, and we're confident we can do that tonight.

As always, your support makes a massive difference. We're proud to skate out in front of the best fans in the league, and we want to thank you for sticking with us during what's been a tough spell. We're determined to get back to our winning ways, and we're looking to start turning things around this weekend. So be loud, get behind the lads and enjoy the game.

We're also looking forward to the skate with the fans after the game, it's always great fun and we can't wait to see you all out there on the ice.

On behalf of myself, the lads and everyone at the Solent Devils, we wish you all a Merry Christmas and a Happy New Year. Enjoy tonight, enjoy the skate, and we look forward to seeing you all again in 2026!
