Solent Devils Vs Slough Jets

Game Day Programme

Saturday 17<sup>th</sup> January

Face Off – 1700

# A Word From The Coach

Good evening, everyone and welcome to the Solent Arena as we welcome the players, staff and supporters of the Slough Jets for tonight's League Cup Semi-Final.

Reaching this stage of the competition is a tremendous achievement for this group, and it sees a repeat of last season's Semi-Final matchup. Tonight's game is the first step of a two-legged battle, before we head on the road to the Hanger tomorrow night for the decisive second leg. Over these two games, execution, discipline and togetherness will be vital.

While our league season has not quite gone to plan at times, Cup competition often provides a clean slate and we have earned our place here. Strong early-season form, combined with a huge victory over Chelmsford in December secured our route into the Semi-Finals. We are fully aware that we have not beaten Slough since this time last year, but Cup hockey is different. Over two games, anything can happen, and if we give everything we have across both fixtures, we put ourselves in a position to reach another final.

In terms of squad news, we are currently a little tight, with injuries continuing to test us and Charlie unfortunately added to the injury list this week. That said, this group is not feeling sorry for itself. The players dressing tonight are excited for the challenge and fully committed to the task ahead.

Slough are a well-organised and dangerous opponent, and this will be a tough, physical contest. We will need to be at our best, play with intensity, and stay composed in key moments.

Finally, these nights are what hockey is all about. We hope you get right behind the team, bring the noise, and enjoy what should be a fantastic occasion here at Gosport.

Enjoy the game.

### The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

### Chiropractic is a primary health care profession focused on your health and wellbeing

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)

- Back Pain
- Generalised aches and pains
- Lumbago

- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)

# It's Not All About Us

A fast paced, well drilled and organised team, the Jets have taken the wins in all previous meetings between the two teams so far this season, and will be coming into this two-leg fixture confident and looking to get a strong lead before the decider at the Hanger tomorrow. With a roster boasting solid strength in depth, each line has the capability to put the Jets into a commanding position and should not be underestimated.

With Hemmings-Maher, Soper and J Lindgren on the attack, the Devils defence is going to be sorely tested, all three more than capable of finding the smallest way into the net with fast, accurate shots. T Lindgren, Minter and Cole have shown their own offensive talents, whilst also being key to setting up fast counter attacks. The Devils will need to work hard to get past Smital or McGibbon, should they make it through the defence to get a shot on goal, with both having proved their capabilities this season. Overall, it is likely to be a hard fought and exciting game.

# Captains Corner

Good evening, everyone, and welcome to the rink for leg one of our Cup Semi-Final against the Slough Jets.

Last weekend was a tough one for us against the Invicta Dynamos. We fell short on the scoreboard, but I felt the lads put in a strong effort, especially over the final two period. We worked hard, competed well, and created chances, we just couldn't find the back of the net when it mattered. Naturally, the boys were disappointed with the result, but there were plenty of positives to take, and we've used that as motivation heading into this huge weekend.

We've had a great training session this week, working through a lot of the details and focusing on the areas we need to be sharp in. The intensity was high, the lads were fully locked in, and it's left us feeling confident and prepared for what's ahead.

This weekend is massive for our season. We know exactly how important these two games are if we want to keep our cup run alive and stay in the hunt for silverware. The lads are focused, fired up, and ready to put in a big performance here at home. Our aim is to get a strong result tonight, so we can head into Slough tomorrow in a positive position and give ourselves the best possible chance.

As always, your support makes a massive difference and gives us that extra push when we need it most. Please get behind the lads, be loud, and enjoy the game.
