Solent Devils Vs Swindon Wildcats 2

Game Day Programme

Saturday 24<sup>th</sup> January

Face Off – 1700

# A Word From The Coach

Good evening and welcome to the Gosport Ice Arena for tonight's NIHL 1 league fixture as we host the Swindon Wildcats 2 on what promises to be a special country-themed game night.

From a league perspective, recent form has made it difficult for us to climb the table, and we currently find ourselves sitting 5th, with Swindon just behind us in 6th. That context makes tonight a crucial fixture for both sides, with three points very much at a premium as we look to regain momentum in the second half of the season.

Last weekend saw our League Cup journey come to an end at the semi-final stage against a very strong Slough side. Credit must go to them on their progression, but I would also like to acknowledge our home performance in particular, where the effort and execution deserved more than the 4-1 scoreline suggested. Aaron was excellent between the pipes, and youngster Jacob stood up well on a big occasion. Over the course of the weekend, however, Slough were deserved winners, and we now turn our full attention back to league hockey.

Tonight is also about creating a great atmosphere around the rink. We are proud to be hosting a country-themed game, with local country singer Alan Finlan joining us to perform the national anthem, alongside country music around the café area during the interval. Country music and country values align closely with sport grit, togetherness, hard work and passion and as a club, we are really looking forward to sharing that with you this evening.

On the ice, Swindon will provide a tough challenge. They are a young, fast team with plenty of energy, and key players such as Jake Williams and Jay Warren will need to be managed carefully if we are to control the game. We are under no illusions we are in real need of the three points tonight, and that means executing properly, playing with pace, and staying disciplined for the full sixty minutes.

In terms of squad news, we remain without a few players due to longer-term injuries, but we do have one or two game-day decisions to make. I am hopeful that there may be some positive news by the time you are reading this.

Finally, thank you, as always, for your continued support. We know results have been frustrating at times, but I can assure you that everyone behind the scenes and on the ice is working tirelessly to get us through this period and back to where we expect to be.

## The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

## Chiropractic is a primary health care profession focused on your health and wellbeing

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

# It's Not All About Us

Having taken the win during their last visit to Gosport, Swindon will be once more looking to gain some momentum and be looking at league positioning and the Playoffs. With a young, fast paced and energetic team, the Wildcats bring energy and talent to their game, with swift counter-attacks coming straight from their solid defensive lines.

Warren leads the team on points, and Nethersell is close behind. Both players will be key in tonight's game, with both being instrumental in several important goals for the team. Williams is also likely to form a core part of this arrangement, leading the team on goals scored. Defensively, Harding and Stone have proven to be challenging players to get around, capable of reading and breaking down the opponents' attacks, or intercepting the passes that would otherwise prove dangerous. Clarke-Leach forms a formidable final challenge, the young netminder having proven his abilities both in NIHL 1, but also stepping up into the National League as well as being a starting netminder for GB U20.

# Captains Corner

Yeehaw y'all, and welcome back to the rink for tonight's Country Themed Night against the Swindon Wildcats 2! It's great to see the barn full, the country gear out, and the atmosphere buzzing.

Last weekend was a tough one for us in the cup semi-final against the Slough Jets. We were disappointed to be knocked out, but I was proud of the effort the lads put in over those two games. We dug deep against a very strong Slough side, stuck to our game plan, and especially at home on Saturday I felt we executed it really well. A few unlucky bounces made the difference, and without those we could have been heading into Slough with a much closer scoreline. That's hockey sometimes, but the effort and commitment from the boys was there for all to see.

Now it's time to refocus on the league and push hard for the best possible playoff spot. This weekend is massive for us. Tonight won't be easy against Swindon they're always a tough opponent but we've had a good training session this week, worked on the details, and the lads are ready and excited for this weekend. We then head on the road Sunday to Romford to take on the Buccaneers. The boys know exactly how much these two games mean, and we'll be looking for nothing but six points by the end of the weekend.

As always, your support makes a massive difference and gives us that extra push when we need it most. So dust off those boots, tip your hats, raise the roof, and get behind the lads tonight. Be loud, be proud, and let's make this place feel like a full-on hockey hoedown. Yeehaw and enjoy the game! 🥅✍
