Game Day Programme

Sunday 21st February

Face Off – 1700

A Word From The Coach

Good evening and welcome to the Gosport Ice Arena for tonight's NIHL 1 league fixture against the Invicta Dynamos.

Last weekend's result didn't go our way, but I couldn't fault the effort. The group gave everything and competed hard from start to finish. At this stage of the season, performances have to start turning into points, but the commitment and attitude remain where they need to be.

We're boosted tonight by the return of Charlie and Cam, which strengthens us in key areas of the ice and gives the bench a different balance. That said, we are without our part-time players this evening, so once again it's a case of those in the line-up taking ownership of their roles and embracing the responsibility.

Invicta are a strong, well-structured side who have had an excellent season. They move the puck well, are disciplined, and capitalise on mistakes. If we're going to get the result we want, it will require detail in our execution, composure with the puck, and a consistent work rate across all three periods.

We're at that point in the campaign where momentum matters. With playoffs on the horizon, we need to start building winning habits again not just chasing games, but managing them properly. That has to start now.

As always, thank you for your continued support. Your backing makes a difference, especially in tight games like this. We'll need your energy behind us tonight.

CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

The Dynamos have had a bit of a mixed season, having pulled off some hard fought and surprising wins, taking points from both Slough and Streatham, but also suffering defeats to Swindon and Chelmsford. That said, they have managed to take all the available points against the Devils so far this season, so will likely be coming into this game with confidence. As we start looking towards the end of the season, and finalizing positions before the play-offs, every game becomes important and the Mos are likely to come hard and fast from the start of the 1st as they seek to solidify their hold in the top half of the table.

Connolly leads the team in points, with 14 goals and 10 assists, and is likely to be a key player tonight, especially paired with Thune or Pascale. Gatenby is a defensive player that is more than capable of putting the puck in the back of the net as well, his reading of the game is going to be vital to the Mos offensive plans tonight. Windebank and Divall have both proven their abilities between the posts and either one of them could present a problem for any Devils' attack.

Captains Corner

Evening everyone, and welcome to tonight's rescheduled home game against the Invicta Dynamos.

Looking back at last weekend's game against the Slough Jets, I thought the lads put in a really strong performance against a good Slough side. We've had a lot of guys stepping up from NIHL 2 and others within the squad taking on bigger roles, and the effort across the group was excellent. It was a hard-fought game, and while a few mistakes were punished by a strong Slough team, the compete level and commitment were exactly what we're looking for. Rory also had another outstanding night, standing on his head and keeping the scoreline tight.

Tonight will be another tough test. Invicta are a strong team and have been picking up some good results recently, so we know we'll need to dig deep and put in a full 60 minute performance. The lads have been working hard in training, and we're focused on turning these performances into results as we build confidence heading into the playoffs.

Thank you to all of you for sticking by the lads and continuing to support us, it really does mean a lot to the team. Your support gives us that extra push when we need it most. Please get behind the lads tonight, be loud, and enjoy the game.
