A Word From The Coach

Good evening and welcome to the Gosport Ice Arena as we take to the ice tonight against the Romford Buccaneers in NIHL 1 league action.

Last weekend we hosted Romford in the rearranged fixture from back in October, and it was a game we simply had to win. Credit to the players, who produced a strong performance, dominating large spells of the game and finding important goals throughout the line-up. It was also great to welcome Pitts back into the team, and having a squad full of experienced senior players certainly helped relieve some of the pressure that has been on others in recent weeks.

This week we are also pleased to welcome Liam back into the line-up after a spell out with injury. Liam brings plenty of firepower and energy, and we're hopeful he can make an impact tonight. That said, we know this game could be a very different challenge. Romford travelled light last weekend, and we certainly don't want that result to give us a false sense of security. With a fuller squad available, they are a formidable opponent, and we will need to be at our best again tonight.

Tonight is also an important evening away from the hockey as we host our Prostate Cancer themed charity night. Prostate cancer is something that affects many families, and we're proud to use our platform as a club to help raise awareness and support a fantastic cause. Throughout the evening, we will be raising money for Prostate Cancer UK, and we encourage you to take a moment to visit the information stall being run by our very own nurse, Vicki, who will be available to share more information about the condition and the importance of early awareness.

A huge thank you as well to everyone who has purchased one of our Prostate Cancer themed jerseys. All profits from those will be donated to the charity, and it's fantastic to see the club community come together for such an important cause.

As always, thank you for your continued support. We appreciate every one of you who comes down to back the team. #TogetherStronger

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

Following last week's highly contested game, the Bucc's return to Gosport once more, both teams again seeking the 3 points and looking to their position within the league, with an eye towards the Playoffs. The Bucc's will be looking to convert more of the chances they had last week, pile on the pressure and start to build momentum as the regular season draws to a close.

Last week saw some standout performances from the team, with Van Mullem putting an incredible performance between the posts. Fresh from the announcement of his position in the GB U18s team, he's likely to be the starter again tonight and will be a tough opponent to beat. Wakeling was solid in defence and pushed hard up the ice, creating several potential opportunities, something she is likely to continue tonight. Tom Wilson's leadership proved vital, encouraging the team to keep pushing and helping in several of the pushes against the Devils' net, and he's likely to continue to be a key player for the team going forwards.

Captains Corner

Good evening everyone, and welcome back to the rink for tonight's game against the Romford Buccaneers.

Tonight is a special one for the club as we host our Prostate Cancer Awareness Night. The Devils will be playing in blue and wearing our limited-edition prostate cancer jerseys to help raise awareness and funds for such an important cause. Prostate cancer affects so many families, and nights like this are a great opportunity for the hockey community to come together, raise awareness, and support the fantastic work being done. We're proud as a club to be involved in supporting such a meaningful cause.

Looking back at last weekend, it was great to get a much-needed win at home. It was a real team effort from the lads, and it was great to see scoring coming from throughout the lineup. That's something we've been working hard towards, and it shows how well the lines are starting to gel. It was also brilliant to see some of the guys returning from injury and putting in some big performances to help the team get the result.

This weekend is another big one for us. It's great to have Liam Coleman back in the lineup as well, which gives the group another boost. After tonight's game where we need nothing but the 3 points, the lads will be straight back on the road tomorrow as we travel to Cardiff, so it's a big double header weekend for the team. Both of these games are massive for us as we look to claw back some important points and improve our position in the league to give ourselves the best opportunity heading into the playoffs.

The lads know exactly how important these games are. We've been working hard in training, the energy has been good, and everyone is ready to go and give everything tonight.

As always, your support makes a massive difference and gives us that extra push when we need it most. Please get behind the lads, be loud, and enjoy the game.
