Solent Devils Vs Cardiff Fire

Game Day Programme

Saturday 21<sup>st</sup> March

Face Off – 1700

# A Word From The Coach

Good evening and welcome to the Gosport Ice Arena for tonight's NIHL 1 league fixture against Cardiff Fire.

Tonight marks our final home league game of the season as we take on Cardiff Fire before heading into the off-season and turning our attention towards the Playoffs.

It's been a turbulent campaign, and I want to take a moment to thank every single one of our supporters. Your backing, especially through some challenging periods, has not gone unnoticed, it genuinely means a lot to myself and the group.

Credit must also go to the players. The team has dug deep through adversity, dealing with injuries and difficult moments, but continuing to show up, compete, and represent the club with pride. Those experiences build character, and it's something we'll need as we head into the final season of the weekend and beyond.

There's still plenty to play for tonight. A win against Cardiff would see us secure a 5<sup>th</sup> place finish, which, given the challenges we've faced, would be a solid outcome and something to build from heading into the Playoffs.

We're looking forward to getting out in front of a strong home crowd this evening and putting in a performance you can all get behind. After the game, we hope as many of you as possible can join us on the ice or by the benches for our end-of-season skate, a great chance for everyone to come together.

Thank you again for your continued support.

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago

- Migraine prevention
- Minor sports injuries and tensions

# It's Not All About Us

Cardiff are a tenacious, tough and fast paced team. Though they haven't had much luck this season, they have kept pushing throughout and could still cause some upsets, especially with the Playoffs looming. They'll be keen to get the win tonight, helping to build some momentum as they turn their eyes towards Slough in the Quarter Finals.

Poole leads the team on points, with 7 goals and 2 assists. With a sharp eye for shooting, he'll be looking to put the Fire into the lead early tonight, especially if paired with Sheppard or Hind-Pitcher, both experienced players who read the game well and can often make the difference in those close battles for the puck. Llewellyn is no stranger to Gosport and his experience here is likely to be a key part of the Fire's defence. With Evans or Davies between the posts, any attack will need to be accurate, otherwise a fast Fire counter is sure to follow.

# Captains Corner

Good evening everyone, and welcome back to the rink for tonight's game against the Cardiff Fire, as we kick off the final double-header weekend of the regular season.

Tonight is a big one for us. We know that three points here are crucial to securing 5<sup>th</sup> place and keeping our momentum going as we head into the Playoffs. The lads are ready for the challenge this weekend and fully understand the importance of these final two games, with another tough test ahead tomorrow away in Streatham to round off the regular season.

Looking back over the year, it's been a real up and down season for us. We've had to deal with a lot of injuries and all the challenges this year has thrown at us, it's probably fair to say there have been more lows than highs. But massive credit goes to every single lad, whether they've been here from the start or stepped in when we've needed them. Everyone has given everything they've got and played for the badge on the front of the jersey, and that's something to be proud of.

That said, the job isn't done yet. We've still got the Playoffs to come, and the lads will be giving it absolutely everything to finish the season on a high.

We're also looking forward to seeing you all on the ice after the game for Skate with the Devils. It's always a great bit of fun and a brilliant way to wrap up the regular season together.

Finally, a huge thank you to all of you for your support throughout the season. As always, it makes a massive difference and gives us that extra push when we need it most. Please get behind the lads, be loud, and enjoy tonight's game.
