Solent Devils Vs Invicta Dynamos
Game Day Programme
Sunday 29th March
Face Off – 1700

A Word From The Coach

Good evening and welcome to the Gosport Ice Arena for tonight's Playoff Quarter Final, 2nd Leg against the Invicta Dynamos.

Last night we fell to a 4–1 defeat in Gillingham in the first leg. Credit to Invicta, who played very well and had us under pressure for large periods of the game. We were on the ropes at times, but I was pleased with the response in the third period where we pushed back and created some big chances at 3–1 that, on another night, bring us right back into the tie.

At that stage, the next goal was crucial. Unfortunately, as we pushed to close the gap, we opened ourselves up and conceded a short-handed goal, which made the task more difficult heading into tonight.

There's no getting away from it, we've got work to do. But this group believes, and that belief has to be matched with a disciplined, committed performance from the first puck drop. The first goal tonight is vital, and we need to ensure we are structured, patient, and ready to take our chances when they come.

We also know the importance of limiting their key players. Invicta have threats throughout their line-up, and if we're to turn this around, we must be detailed in our execution and prepared to compete for every inch of the ice.

These are the moments you work for all season. Playing at home, in front of our supporters, gives us an opportunity, and we'll need you with us every step of the way. Stay behind the team, bring the energy, and help drive us forward.

McTIMONEY
CHIROPRACTIC

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

With last night's result now locked in, it all hinges on tonight. The Mos have taken a strong lead in the first leg, and they're likely to come out of the gates hard tonight. With everything on the line tonight, they'll be conscious of last season, where they overturned a 4 goal deficit to take the win in this leg.

Connolly was key to last night's win, scoring two of their goals and being involved in the fourth. Alongside him, Strawson was showing his experience and proving to be another key player. Gatenby and Tombs are solid defencemen, with Gatenby showing his attacking skills last night as well, and will be looking to disrupt any Devils attack, starting the counters that proved solid last night. With Windebank between the pipes, the Devils will have to be accurate in their shooting, with him pulling off several impressive saves in the first leg. Overall, there's all to play for in tonight's second leg!

Captains Corner

Good evening everyone, and welcome back to the for tonight's playoff quarter-final second leg against the Invicta Dynamos.

After last night's result, we know we've got a job to do. Coming up short 4-1 wasn't what we wanted, and the lads were disappointed, especially with the number of good scoring chances we created. On another night, a few of those go our way and it's a completely different game. We also know that a few mistakes and a lack of discipline cost us at key moments, and that's something we've addressed.

But it is far from over. We bring it back home tonight, and we know exactly what's required. Pulling back three goals is a big task, but it's definitely not an impossible one here at the Thunderdome. The lads are hungry, focused, and ready to give absolutely everything to turn this around.

A massive thank you to all the travelling fans last night you were unbelievable and made a real difference. That's exactly the kind of energy we need again tonight. We're proud to play in front of the best fans in the league, and your support gives us that extra push when we need it most.

So let's make this place loud, get behind the lads from the first puck drop, and the lads are ready to leave it all out there. Enjoy the game.
