Solent Devils Vs Romford Buccaneers

Game Day Programme

Saturday 17th October

Face Off – 1700

A Word From The Coach

Good evening and welcome to the Gosport Ice Arena for tonight's game against the Romford Buccaneers.

Tonight is a special occasion for the club as we host our inaugural Teddy Bear Toss, supporting the wonderful charity Marvels & Meltdowns. The boys are excited to see the rink busy, with plenty of soft toys ready to hit the ice after our first goal of the game. It's a fantastic opportunity for us to come together as a hockey community and support a great cause, so thank you to everyone who has brought a teddy along and helped make tonight possible. Hopefully, we'll have plenty of bears flying onto the ice!

Last weekend was a tough test for us against the reigning playoff champions, Streatham RedHawks. We went into that game missing seven senior players through injury and suspension, including myself, which meant others had to step up and take on additional responsibility.

Despite the circumstances, I was pleased with the effort and commitment shown by those who took to the ice. Streatham are a strong, experienced side, and being short-handed against a team of that quality was always going to be a challenge. The players worked hard, battled for one another and did their best to keep us competitive throughout the game. While the score eventually finished 5-1, I don't want that result to overshadow the work rate and determination shown by the group in difficult circumstances.

There were some real positives to take away. It was encouraging to see our younger players take their opportunities, with Jaye making his senior debut after progressing through the Solent ranks. Rory also put in a good performance in net, giving us a chance to stay in the game, while Kyle got his first goal of the season. These are important moments for individuals and for the club as a whole, and they demonstrate the value of developing players and giving them the opportunity to perform at senior level.

Looking ahead to tonight, we welcome the Romford Buccaneers to Gosport. Romford are a tough team to play against, well organised and with quality throughout their line-up. They got the better of us when we met a couple of weeks ago at their rink, and we know we'll need to be much better if we're going to put that right. Players such as Briggs and Morrison provide real threats, and we'll need to be disciplined, work hard across all three lines and make sure we manage the key moments of the game.

With the squad now almost back to full strength, we're in a much better position heading into this weekend. There's also the possibility of a familiar face returning to the line-up, which would be a welcome addition. We know what we need to do, and after last weekend, the focus is firmly on getting back to winning ways. Make no mistake, this is an important game for us. We need to take responsibility, compete hard from the first puck drop and make the most of playing at home. We've put the work in during training, and now it's about delivering when it matters. Every shift counts, every battle matters, and we need everyone pulling in the same direction.

Finally, a warm welcome to the Romford players, coaches, staff and supporters. To our own supporters, thank you for continuing to back us. We hope you'll help make tonight a memorable one, both for the Teddy Bear Toss and for the team. Get behind the boys, bring the noise and help us make the Gosport Ice Arena a difficult place for visiting teams to play. Let's get those teddies ready, get behind the Devils and give everyone something to celebrate tonight!

Teddy Bear Toss in Support of Marvels & Meltdowns!

Marvels and Meltdowns was founded in November 2014 by two parents both experiencing the heartache and frustrations of caring for children with a diagnosis of ADHD and Autistic Spectrum Condition.

They realised that there was no provision or support for the parents and carers of the children affected, and so they set out to change that! Working in the local children's centre planted a seed for Shandrika, the founder, about using the venue to host local support meetings for parents, to support one another on the journey to diagnosis, with the day-to-day frustrations and to celebrate the victories. After an initial meeting to ascertain the need Marvels and Meltdowns was born.

The group grew immensely quickly and is now a registered charity with its own dedicated social and fundraising teams. They hold weekly meetings to cater for their ever-expanding members and play sessions for children who otherwise can find these social interactions overwhelming providing a place where everyone feels welcome with no fear of judgement when their Marvel is having a Meltdown!!

Marvels and Meltdowns also run 1:1 intensive support meetings to reinforce the positive mental well-being in their members as they have found by promoting this, it makes an immense difference in their daily lives. The charity is run completely on donations of cash, skills and of the volunteers who give their free time to enable Marvels and Meltdowns to continue and move forwards.

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life. To find a McTimoney Chiropractor near you, go to [McTimoney Chiropractic Home \(mca-chiropractic.org\)](http://mca-chiropractic.org)

Chiropractic is a primary health care profession focused on your health and wellbeing

- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

It's Not All About Us

A fast-paced, clinical team, Romford are very skilled at counter-attacking and solid defending. Having taken the win at home the last time they played against the Devils, they are likely to come to Gosport with confidence, but with experienced players on the team, they know what will be required of them tonight and will use their speed and accurate passing to their advantage.

With forwards such as Morrison and Woolmore, the Devils can expect deep passes and fast skating as they push deep into the Devils' defensive zone, especially when supported by Campbell and Coe, both players who are more than capable of defending the goal in one breath and racing to a scoring opportunity in the next. Whilst Minton has had the most games this season, Rider or Adams are also formidable shot stoppers and all three netminders present a difficult challenge to overcome.

Captains Corner

Good evening everyone, and welcome back to the rink for tonight's game against the Romford Buccaneers!

Last weekend, we faced a tough Streatham RedHawks side, and with a few key guys missing from the line up, we knew it was always going to be a tough game. I thought the lads put up a strong fight, with plenty of guys stepping up and taking on different roles when the team needed them. A big congratulations to Jay Heritage on making his first senior appearance for the Devils, it's always great to see lads getting that opportunity!

Although we didn't get the result we wanted, there were plenty of positives to take from that performance, and we'll be looking to carry those into tonight's game.

We know how important tonight is, especially after falling short against Romford a few weeks ago. This is a massive double header weekend for us, with a trip to Cardiff on Sunday, and the lads know we need to be picking up wins. Neither game is going to be easy, so we need to be switched on from the first puck drop, bring the intensity, work hard for each other, and put in two strong performances. And now it's about going out there and getting the job done!

Tonight is also a special one as we host our first ever Teddy Bear Toss! So get those teddy bears ready, because as soon as we score our first goal, it's time to get those teddy's thrown onto the ice! It's a brilliant way for us all to come together and hopefully make a difference for a great cause, so thank you to everyone who has brought a bear along and got involved.

As always, a massive thank you to our home fans for the support you give us week in, week out. We need you loud tonight, getting behind the lads and helping us push through every shift. We've got a huge weekend ahead, and your support can make all the difference!

Let's bring the noise, get behind the lads, get those teddy bears ready, and hopefully get the weekend started with a win, Enjoy the game everyone!
