Solent Devils Vs Invicta Dynamos

Game Day Programme

Saturday 31st October

Face Off – 1700

A Word From The Coach

Good evening and welcome to the Gosport Ice Arena for tonight's Halloween-themed fixture against the Invicta Dynamos.

Last weekend was, quite honestly, one of the worst performances I can remember during my time as Head Coach. I want to start by apologising to our supporters for what was a very disappointing afternoon. Your patience and continued support, particularly during a difficult game, was appreciated, and I know the players and staff owe you a much better performance.

We lacked energy, desire and, most importantly, the basic willingness to compete and do what was needed to win a hockey game. That is simply not acceptable at this level, regardless of the opposition or circumstances. Credit to Swindon, who played well and took full advantage, but ultimately, we have to look at ourselves. We let ourselves down, and we let our supporters down.

There is no point dressing that up or making excuses. We have to take responsibility, learn from it and respond. The standards we set ourselves as a group need to be much higher, and it is down to every player to make sure we show that on the ice.

Tonight we welcome the Invicta Dynamos for our first meeting of the season. Invicta are a strong side with an experienced coaching set-up, a deep roster and quality throughout their line-up, including solid goaltending. They will be a difficult opponent, and we know that anything less than a committed and disciplined performance will make it very difficult to take the points.

We have worked hard in training this week, focusing on making small but important improvements to our game, particularly in our own end. We need to be better defensively, make better decisions with the puck and show far more urgency and purpose in everything we do. Most importantly, we need to compete for the full sixty minutes. The response starts tonight, and I hope the players are ready to give our supporters something much better to get behind.

Away from the hockey, it's fantastic to see the arena embracing the Halloween theme. I hope everyone has enjoyed getting involved, whether that's dressing up in their Halloween costumes, taking part in our pumpkin-carving activities or entering one of our themed competitions. A big well done to everyone who has taken part and helped make tonight a little different. Hopefully, there are some impressive costumes and creative pumpkins on show, and congratulations to all our competition winners!

Finally, a warm welcome to the players, coaches, staff and supporters travelling from Invicta. To our own supporters, thank you again for your patience and loyalty. We know last weekend wasn't good enough, and we understand that performances like that are disappointing. All we can do is put it right on the ice. We need your support tonight, and in return, we need to show the energy, commitment and desire that you expect from your Devils.

Let's make it a Halloween to remember for the right reasons!

Chiropractic is a primary health care profession focused on your health and wellbeing

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp
- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

It's Not All About Us

An experienced, physical team, the Dynamos will be looking to gather some wins, having only played 3 games this season. The Mos have an experienced team, known for accurate passing, hard hits and precise shooting and are likely to come out the gate fully charged and ready to challenge in all aspects of the game.

Robinson currently leads the team in points, with Fowler and Burnett close behind. All three are likely to be key players in any attacking opportunity the Mos will get tonight. Lillis and Tombs are experienced defenders, as capable of disrupting attacks as they are of starting a counter-attacking opportunity. Both Windebank and Divall are solid shot-stoppers, confident between the posts and more than capable of frustrating any Devils' attack. As usual, this game promises to be a hard-fought match.

Captains Corner

Good evening everyone, and welcome back to the rink for tonight's game against the Invicta Dynamos!

First of all, it's great to see everyone getting involved in our Halloween themed night! We're looking forward to seeing all the fancy dress outfits around the rink, along with everyone's entries for the pumpkin carving competition. Hopefully, we've got some creative pumpkins on show tonight, and it's great to have a bit of fun alongside the hockey!

Before I get into tonight's game, I want to apologise for our performance last weekend. It was honestly one of the worst performances I've seen us put in for a long time, and as a team, we are extremely disappointed with what we produced. We know that wasn't good enough, and we know we owe everyone a much better performance.

I also want to say a massive thank you to every single one of you who continues to turn up, support us and stick by us, even when we put in performances like that. We never take your support for granted, and we really do appreciate every one of you.

But we move on. We've had to look at ourselves, take responsibility and focus on putting things right. We've worked hard in training this week and gone over a lot of the things that went wrong, both on and off the ice, last weekend. Now it's about taking that work into tonight and showing everyone what this team is capable of.

Tonight is going to be a tough game. It always is against Invicta, who are a strong side, and this will be our first meeting with them this season. We know we'll need to be at our best if we want to get the result. There is only one thing the lads are looking for tonight, and that's a win, but we know that won't come easy. We need to put in a solid 60-minute performance, compete for every puck and work hard for each other from the first whistle to the last.

And it doesn't stop there, as tomorrow we head into another big challenge against the Streatham RedHawks. It's a massive weekend for us, and getting tonight's performance and result right is where our focus starts.

The lads are ready to go, hungry to put last weekend behind us and hopefully redeem ourselves in front of you all. So please get behind the boys, bring the noise and be as loud as ever. Your support really does make a difference and gives us that extra push when we need it!

Let's put things right, enjoy the Halloween celebrations and hopefully give you all something to cheer about tonight!

Enjoy the game#TogetherStronger

Make some noise!
