Face Off – 1700

# A Word From The Coach

Good evening and welcome to the Gosport Arena for tonight's fixture against Cardiff Fire.

Tonight is a particularly important evening for the club, as we come together for our annual Remembrance fixture. Although this game doesn't fall on Remembrance Sunday itself, we felt it was important to take the opportunity to pay our respects and recognise those who have served, and continue to serve, our country.

Solent has a close connection with the Armed Forces, particularly given our roots in a naval town, and that connection runs through our club and wider community. We are proud to have serving and former members of the Armed Forces among our players, staff and supporters, and tonight is an opportunity to recognise their service and sacrifice, alongside everyone who has served and those who continue to protect us.

We will mark the occasion with the laying of wreaths, a moment of silence and the playing of the Last Post by our bugler, Johnny Mason. I hope everyone in the arena will join us in observing these moments with the respect and reflection they deserve.

Tonight is also an opportunity to remember someone who played a hugely important part in the history of this club. Sadly, former Chairman Robin Richbell passed away last week, and our thoughts are very much with Martyn and the wider Richbell family.

Robin was instrumental in the earlier years of Solent Ice Hockey Club. Alongside my Dad, Paul and a number of others, he helped lay the foundations that have allowed this club to develop into what it is today. The time, commitment and drive that people like Robin put into the club should never be underestimated. Without those individuals giving so much in the early years, we simply wouldn't be where we are now.

We are delighted to welcome Robin's son, Martyn, as our guest this evening. There will also be a book of condolences available for supporters, players and staff to sign. Please take the opportunity to share your thoughts, memories and messages with the family. Robin's contribution to this club will not be forgotten, and he will always remain part of its history.

# A Word From The Coach continued

Turning to the hockey, we're currently in a difficult spot, and there is no point pretending otherwise. Our performances have been below the standards we expect, and the results reflect that. We've also had to contend with a number of players missing from the line-up, through a combination of injuries, availability and suspensions. While that has undoubtedly made things challenging, it cannot become an excuse for the performances we put on the ice.

Last weekend against Slough was simply not good enough. We didn't perform to the level required, and I was disappointed with what we produced. Since then, we've had an open and frank conversation as a group. Everyone understands where we are falling short, what needs to improve and, more importantly, what is expected of them when they pull on a Solent Devils jersey.

We have to be honest with ourselves, take responsibility and start putting things right. I want to see greater energy, commitment and consistency, with everyone prepared to work for one another. I'm confident this group has the ability to respond, but ultimately that confidence has to be backed up by performances on the ice.

Tonight's game against Cardiff Fire is another important test. Cardiff have put together a good team this season and are in strong form, with quality and experience throughout their line-up. The Smetham brothers, Osman and Malfatti are among the players who can cause problems, and we will need to be fully switched on to limit their influence.

We know what Cardiff bring, and we know that we'll have to produce a much better performance if we're going to take points from tonight's game. We need to be organised, disciplined and competitive from the first puck drop. There can be no passengers, and every player has a responsibility to contribute.

Finally, thank you to everyone who continues to support the Devils, particularly through what has been a challenging period. Tonight is about more than just the result, but when the puck drops, we have a job to do. I hope we can honour the occasion, remember Robin and give our supporters a performance they can be proud of.

Thank you for being here, for your continued support and for taking the time to remember those who have given so much.

# A Tribute to Robin Richbell

Robin Richbell was vital to the team's development, his leadership in the early 2000's directly shaping the Devil's as they are today. The Devils would like to acknowledge his dedication to the club and the sport, both in Gosport and the wider community, by paying tribute to him tonight. There will also be a book of remembrance at tonight's game, for people to sign if they wish.

Our thoughts go out to his family, friends and loved ones at this time.

**Chiropractic is a primary health care profession focused on your health and wellbeing**

The McTimoney Approach to Chiropractic

The McTimoney approach to chiropractic was developed by the late John McTimoney over 50 years ago and is taught only at the McTimoney College of Chiropractic in Abingdon, near Oxford. It is well known for being a precise, whole-body approach to chiropractic care.

The gentle nature of chiropractic the McTimoney way makes it suitable for people throughout their lifetime from babyhood to those in later life.

A package of chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to a senior member of the community enjoying a potter in the garden.

Patients undergoing chiropractic care often report benefits from:

- Ankle sprain (short term management)
- Cramp
- Elbow pain and tennis elbow (lateral epicondylitis) arising from associated musculoskeletal conditions of the back and neck, but not isolated occurrences
- Headache arising from the neck (cervicogenic)
- Inability to relax
- Joint pains
- Joint pains including hip and knee pain from osteoarthritis as an adjunct to core OA treatments and exercise
- Back Pain
- Generalised aches and pains
- Lumbago
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Minor sports injuries and tensions
- Muscle spasms
- Plantar fasciitis (short term management)
- Rotator cuff injuries, disease or disorders
- Sciatica
- Shoulder complaints (dysfunction, disorders and pain)
- Soft tissue disorders of the shoulder

Chiropractic care is covered by most medical insurance companies including PPP, HSA, Norwich Union, First Assist, Legal and General, CS Healthcare and Standard Life.

# It’s Not All About Us

Cardiff have had a mixed season so far, having had some decent success both home and away. From their recent home victory against the Devils at the Vindico in Cardiff, they will likely come to this game confident, but Shepperd is unlikely to let the team be overconfident. With a good mix of experience and youth, Fire are setting themselves up for a good position in the league this season.

Both Smeathams lead the team in points so far this season, with Owen ahead in goals and Rhys in assists. Thurston is close behind. All three will prove critical to tonight’s game plan, along with Osman, who is no stranger to playing on Gosport’s pad. Davies, Webb and Sheppard will be key in keeping the Devils from getting too many opportunities on net, and likely to be the beginning of a Fire counter-attack. Scanlan and Parsons will both be solid between the posts and will make the Devils work hard to get on the scoreboard tonight.

# Captains Corner

Good evening everyone, and welcome back to the rink for tonight's home game against the Cardiff Fire.

Tonight is also our Remembrance Night game, where we come together to honour and remember all those who have served, those who continue to serve, and those who have made the ultimate sacrifice to protect our country and our freedoms.

Before I talk about tonight's game, I want to take a moment to reflect on last weekend. It was another disappointing weekend for us, and as a team, we are really unhappy with the performances we put in. We know we're currently in a bit of a rut, and it's frustrating for everyone involved. We are doing everything we can to turn things around, working hard in training, looking at where we need to improve and trying to find that consistency again to get back to winning games.

We know how important tonight's game is for us, and we're really hoping this is the night we can get things back on track. The lads know what needs to be done, and ultimately, it comes down to putting in a solid 60 minute performance, working hard for each other and showing the fight and determination, we know this team has.

I also want to say a massive thank you to all our fans who continue to stick by us, even through the difficult periods. We appreciate every single one of you who comes through the doors, travels to away games and gets behind the team. We know the results haven't been what we want recently, but please know that we will keep pushing, keep working hard and doing everything we can to turn things around for you. Your support means a lot to all of us.

Tonight is also a very special and emotional evening as we pay tribute to Robin Richbell, our former chairman, who sadly passed away.

Robin was a massive part of my junior hockey career, and I have so many great memories that I will always be grateful to him for. He helped create opportunities and experiences that I will never forget, from trips abroad playing ice hockey in different countries to some brilliant tournaments in Sheffield.

One of my favourite memories will always be travelling to Sweden and getting the opportunity to play a game on an outdoor rink while it was snowing. It's moments like that which make hockey so special, and memories I wouldn't have without Robin.

I also have so many memories of him simply being around the rink, always happy, always involved and always a familiar face throughout my junior years. He played a huge part in making those years what they were, and I want to thank him for all the good times, opportunities and memories he gave me.

My thoughts are with Alison, Martyn, Karl, Bruce and all of Robin's family and friends at this incredibly difficult time. On behalf of myself and the team, we send you all our love and condolences. Robin will be sadly missed, but certainly never forgotten.

Finally, let's come together tonight, show our support for Robin and his family, and get behind the lads as we look to put things right on the ice. We need you loud, we need you behind us, and hopefully we can give you something to celebrate with a big performance and two points.

Enjoy the game, everyone.
